The Clerk maintains a master list of voters that will automatically receive an **Application** (*request to receive an Absentee Ballot*) prior to every election.

Completing this form will place you on that list. This will assure you that you will receive, by mail, an **AV Application** prior to every election.

In order to receive an Absentee Ballot you must complete the AV Application and return it to the Clerk's office by the deadline for that election. If you do not wish to receive a ballot, do not return the application.

I am a registered voter in the City of Harper Woods and I wish to receive an application for absentee ballot for every election.
