

### Greetings, Las Vegas Hawkeyes!

In 1994, Russ Roskens (60BBA) founded the Las Vegas Iowa Club, which grew by word of mouth with other Iowa-to-Nevada transplants. Today, the club thrives with more than 500 members and hosts game watch events at Hooters of Spring Valley. To join our email list and connect with other Hawkeyes, email [vegasiowaclub@gmail.com](mailto:vegasiowaclub@gmail.com).

**Website and merchandise:** For more news or to purchase club merchandise, visit [vegasiowaclub.com](http://vegasiowaclub.com).

**Scholarship and community support:** Each year we support an area student attending the University of Iowa. This year's scholarship recipient is Mykenzie Midby, a sophomore pursuing a screenwriting degree. Local community support is also a part of the club's mission and reflected in our volunteering presence at Project 150, which serves local homeless students pursuing high school degrees.

**E-newsletter:** Read about Hawkeyes in Las Vegas making a difference, whether it's anchor Brian Loftus (98BA) on Channel 8 News or McCarran Airport's public information administrator Joe Rajchel (15BA). Send us your story at [vegasiowaclub@gmail.com](mailto:vegasiowaclub@gmail.com).

Join the fun—and share the purpose of promoting the University of Iowa here in Nevada.

I'm proud to be a Hawkeye. Go, Hawks!
