## WHAT WE DO

Our past projects include both new construction, repairs, testing, engineering, inspections and safety sales. We can also plan, manage, and build multi-phase jobs. Occupied and fully operational job sites are never a problem. We always ensure a safe work environment.

## SAFETY IS KEY

We pride ourselves on having the ability to develop and implement viable solutions to help your company achieve its safety and or maintenance goals. We can locate any item your company may need, but we specialize in safety and facility maintenance products.

## GOVERNMENT WORK

We have an in-depth understanding of the obstacles involved with government purchasing. We'll help get the job done!

## ABOUT US

Adamson Solutions, LLC was incorporated in 2012 with the objective of performing electrical system testing and inspections, safety planning, electrical contracting and service, maintenance consulting, and sales. We're owner operated by a master electrician with over 20 years of experience & 14 years of federal service.

# EYE & FACE PROTECTION

## American PAPR - FELIX200 PAPR Unit

- Improves protection over N95 masks by 250%
- Innovative (loose-fitting) face piece with low-profile design reduces ear coverage area, allowing for the use of a stethoscope with ample eye, mouth, and nose protection
- Blower unit design and accompanying belt distributes weight evenly for user comfort
- The FELIX200 allows for optimal mobility in tight spaces and aluminum housing provides durability and ease of cleaning
- The FELIX200 comes ready to use with minimal setup/assembly required
- Designed to minimize environmental impact as compared to N95 respirators
- The FELIX200 allows users to clean/disinfect all components and re-use, driving ROI while reducing waste
- Made in the USA
- FELIX200 PAPR is NIOSH-approved under the HE - High-efficiency particulate filter for Powered Air-Purifying Respirator designation (99.97% filter efficiency level) effective against particulate aerosols free of oils

Cost: \$1150.00

## Child Face Shield - 10pc (PG-1)

- Universal size for kids (8in x 7in)
- Extremely lightweight for various uses
- Specialized protection designed by doctors
- Wrap-around design provides sealed protection while providing proper ventilation
- Reusable with proper sanitation
- Adjustable band to perfectly fit any head size
- Clear tint

Cost: \$12.50

## Clear-VU Face Shield 1pc (PG-2A)

- Made in the USA
- Designed in collaboration with Stony Brook Medicine's Infectious Disease Group and College of Engineering and Applied Sciences
- Made with space to wear protective N95 masks, goggles, and glasses underneath
- Wrap-around design provides sealed protection while providing proper ventilation
- Reusable with proper sanitation
- Lightweight for use in various situations (i.e. woodworking, mowing, gardening, drilling, sanding, etc.)
- Adjustable band to perfectly fit the size of your head.
- FDA registered

Cost: \$1.75

## Face Shield - 10pc (PG-2)

- Lightweight for use in various situations (i.e. woodworking, mowing, gardening, drilling, sanding, etc.)
- Designed with space to wear a respirator, goggles, and glasses underneath
- Wrap-around design provides sealed protection while providing proper ventilation
- Reusable with proper sanitation
- Adjustable band to perfectly fit the size of your head
- Anti-fog
- Clear tint

Cost: \$ 12.75

### Protective Glasses - Pack of 12 (PG-4A)

- Stylish Design - It is very lightweight and comfortable to wear
- Wide Application - Carpentry, metal and construction work, shooting, cycling, racquetball, or anywhere where you need to wear PPE eyewear
- Material: PC
- Feature: Anti-fog Coated
- Protection: splash, sand, etc

**Cost: \$30.25**

### Safety Goggles (PG-3)

Smart & Comfortable Design - Fits comfortably over standard eyeglasses with an adjustable and durable, yet soft band.

Crystal Clear Vision - Anti-fog and scratch-resistant. Ensures a clear vision in any work environment.

### Anti-fog, Air Vent

- PVC + PC
- Elastic Headband
- Size: Universal

**Cost: \$3.75**

### TIDIShield Face Shields 100pc (2210-100)

- Wraps around the face for added protection
- Foam band designed for stability and comfort
- Clear, snap-in nose piece for support
- Fits over glasses/goggles and masks/N95 respirators
- Keeps your vision unobstructed with anti-static lenses
- Includes anti-fog and splash protection
- Made in North America

**Cost: 123.25**

### Wraparound Face Shield Crosstex® One Size Fits Most 3/4 Length Anti-fog Disposable NonSterile 100pc (826138)

- Optically clear, distortion-free wrap-around face shield
- 1.5 inch foam headband holds shield away from face; "floats" lightly on forehead, with no pressure on temples; vented for increased airflow
- Protects mask and face from direct splatter; may prolong mask life
- Sonically welded elastic headband for added strength
- Anti-fog treatment on inside and outside of shield

**Cost: \$123.00**

- surge and lightning, electric leakage protection, and earth grounding function.
- UV light disinfection - UVC lights efficiently kill any bacteria or virus that lives on the outer surfaces of objects. A UV light inside the cabinet helps in disinfecting device shells from germs and bacteria charging sessions.
- Smart Switch Disinfectant- Has a digital timer you can manually set up with a UV Disinfection System inside the cabinet that removes germs and bacteria from the outer surface of objects placed inside the cabinet. It has a Smart Switch that automatically shuts down the AC power source when the charging of devices is complete.

Cost: \$2,980.00

# MASKS

## CleanItSupply 3 PLY Non-Woven Protective Face Masks 2000pc (3plycase)

- Product SKU: 3PLYCASE
- Disposable 3-ply masks with ear loops
- For safety & environmental protection
- Newly developed healthy fabric is odorless & non-allergenic
- Multi-layer folding design lets you breathe naturally & easily
- Flexible high elastic ear bands fit both children & adults more comfortably

Cost: \$1,998.75

## Particulate Respirator / Surgical Mask 3M Aura 1870+ Medical N95 Flat Fold Elastic Strap One Size Fits Most White NonSterile ASTM F1862 440pc (1178076)

- NIOSH N95 Approved:84A-5726
- FDA cleared for use as a surgical mask
- Fluid resistant and disposable
- Flat-fold design and individual packaging
- Embossed top panel helps reduce eyewear fogging
- Sculpted top panel allows more room for eyewear
- Innovative chin tab for ease of positioning, donning, adjustment

Cost: \$936.25

## Procedure Mask Isofluid FogFree Anti-fog Strip Pleated Earloops One Size Fits Most Blue

- NonSterile ASTM Level 1 40pc (800934)
- Ideal for procedures where low amounts of fluid, spray and/or aerosols are produced
- Fluid resistant outer layer
- White tissue inner layer
- The extra-long aluminum nose piece
- Meets EN14683 Rating-Type II Standard
- With Secure Fit™ Mask Technology
- FogFree® strip on the inner layer

Cost: \$29.25

## Particulate Respirator / Surgical Mask Moldex® 1517 Medical N95 Cup Elastic Strap Large Blue Non-Sterile ASTM Level 3 20pc (420655)

- Both an N95 respirator and surgical mask
- Collapse resistant Dura-Mesh® shell
- Color-coded sizes, easy to fit and a BFE > 99.9%
- Contoured shape and soft foam nose cushion for extra comfort
- Meets CDC guidelines for TB exposure control standards and protection from laser plumes of surgical smoke

Cost: \$48.15

## Particulate Respirator / Surgical Mask Moldex® 1517 Medical N95 Cup Elastic Strap Small Blue Non-Sterile ASTM Level 3 20pc (366290)

- Both an N95 respirator and surgical mask
- Collapse resistant Dura-Mesh® shell
- Color-coded sizes, easy to fit and a BFE > 99.9%
- Contoured shape and soft foam nose cushion for extra comfort
- Meets CDC guidelines for TB exposure control standards and protection from laser plumes of surgical smoke

Cost: \$48.15

## Particulate Respirator / Surgical Mask Moldex 1517 Medical N95 Cup Elastic Strap Medium Blue NonSterile ASTM Level 3 20pc (490985)

- Both an N95 respirator and surgical mask
- Collapse resistant Dura-Mesh® shell
- Color-coded sizes, easy to fit and a BFE > 99.9%
- Contoured shape and soft foam nose cushion for extra comfort
- Meets CDC guidelines for TB exposure control standards and protection from laser plumes of surgical smoke

Cost: \$48.15

**Particulate Respirator Mask 3M 8110S Industrial N95 Cup Elastic Strap Small White- 160pc (986416)**

- This disposable N95 particulate respirator is a small size version similar to the classic 8210 N95 respirator
- It is designed to help provide comfortable, reliable worker respiratory protection against certain non-oil based particles
- Cushioning nose foam
- Adjustable nose clip helps provide a custom and secure seal

**Cost: \$252.75**

**Procedure Mask with Eye Shield Isofluid™ Anti-fog Strip Pleated Earloops One Size Fits Most Blue NonSterile ASTM Level 1 400pc (817497)**

- Ideal for procedures where low amounts of fluid, spray, and/or aerosols are produced
- FogFree® strip on the inner layer and optically clear distortion-free wrap-around shield

**Cost: \$752.50**

**Particulate Respirator Mask Moldex 2200N95 Industrial N95 Cup Elastic Strap Medium / Large White NonSterile Not Rated 240pc (1094551)**

- Non-valved N95
- Collapse resistant Dura-Mesh® shell
- Soft foam nose cushion
- Molded nose bridge
- Softspun® inner lining
- Meets heat and flame resistance in accordance with ANSI/ISEA 110-2003 Section 7.11.1

**Cost: \$483.75**

**Procedure Mask Cardinal Health Child Size Kid Design 50pc (867785)**

- Malleable aluminum nose wire
- Child Design
- Child fit

**Cost: \$ 37.35**

**Reusable Cloth Mask with customized logo - 5pc (FM-8C)**

- Wide application for daily use
- Unisex stylish design
- Protection from dust, pollen, and other solid particles
- Great rigorous activities (i.e. cycling, running, climbing, travel)
- Mix of cotton and polyester for both comfort and durability
- Unique ventilation covers to ensure breathability

**Cost: \$22.75**

*The pricing listed is reflective of low-quantity orders. Large bulk orders receive a significant discount – please inquire.*

**Reusable Clear Face Mask, 5pc (FM-9)**

- Not intended for use as a medical surgical mask
- Worn on the face and covers the nose and mouth
- One size fits most adult men or women

**Cost: \$ 15.00**

**Medipro Disposable Level-1 Mask, 3-Ply 50pc (FM-4M)**

- Exceeds ASTM Level 1 and 2 performance standards
- BFE (Bacterial Filtration Efficiency) ≥ 99%
- PFE (Partical Filtration Efficiency) @ 0.1 μm ≥ 99%
- Blood Penetration Resistance ≥ 80 mmHg (10.7 kPa)
- Easy to breathe through, Delta P < 3 mm H O/cm<sup>2</sup>)
- Soft, odorless, and non-irritating
- Latex-free, fiberglass free, non-sterile

**Cost: \$15.75**

**N95 NIOSH Mask - 50pc (FM-2H)**

- Made in the USA
- NIOSH N95 particulate respirator
- Elastic head straps for secure fit
- Foam cushion for comfort
- Fitted nose clip for comfort
- 4 layer mask
- Premium filter

**Cost: \$ 210.00**

**US-Made Disposable Level-2 Face Mask (3ply) - 50pc (FM-5H)**

- US-Made Disposable Level-2 Face Mask (3ply)
- 10 masks in a Box
- 99% BFE
- ASTM Level 2
- White and Blue

**Cost: \$25.25**

- Protection from dust, pollen, and other solid particles
- Great rigorous activities (i.e. cycling, running, climbing, travel)
- Mix of cotton and polyester for both comfort and durability.
- Unique ventilation covers to ensure breathability

**Cost: \$12.00**

## N95 Niosh Mask (Makrite 9500) - 20pc (FM-2)

- Heavy duty protection
- Premium filter material provide a extremely low breathing resistance
- Adjustable nose piece and high elasticity head-straps ensure a tight and secure seal
- The softness of the surface material gives greater comfort for all day use
- Guaranteed Protection - the most popular particulate respirator approved by NOISH
- Wide application including surgical setting, construction, and personal protection

**Cost: \$15.00**

## N95 Mask - 20pc (FM-3)

- Exceptional internal filter for low breathing resistance
- Filter prevents dust and other small particles
- Adaptive to facial structure
- Adjustable nose clip for excellent fit
- Elastic head straps for secure seal
- Deformable nose piece to reduce chafing

**Cost: \$12.25**

## N95 Surgical NIOSH Mask - ACI 3120 - 300pc (FM-2L)

- ASTM F1862 Level 3 Fluid Resistance – Highest Level of Protection (160 mm Hg)
- Flammability Class 1
- Provides protection against particulates at the N95 filter efficiency level
- Conforms to recognized standards for Flammability, Fluid Resistance, and Biocompatibility
- Strong straps ultrasonically bonded, not stapled to the mask
- Exceptional Breathability, Fit, Comfort, and Quality
- One of the Largest Domestic Manufacturers of N95s

**Cost: \$232.25**

## Particulate Respirator / Surgical Mask 3M™ 1860 Medical N95 Cup Elastic Strap One Size Fits Most Blue NonSterile ASTM F1862 20pc (285691)

- NIOSH N95 Approved: 84A-0006
- FDA cleared for use as surgical mask
- Helps protect against certain airborne biological particles
- Fluid resistant and disposable
- Braided headbands, cushioning nose foam, and light weight construction for comfortable wear

**Cost: \$51.25**

## Dasheng N95 Respirator - 20pc (FM-2D)

- Designed to achieve a close fit
- 3 non-woven filtration layer
- Static-electro treated material
- Soft woven headband elastic straps
- Aluminum "arc" nose clip for extra comfort and tighter fit
- Adjustable Plastic Nose piece and micro-aperture foam for better fit
- Ultrasonic welding technology, glue-free and odorless.
- Latex free

**Cost: \$21.25**

### N95 NIOSH Mask (Harley L-188) - 20pc (FM-2F)

- Designed for a close facial fit with maximum filtration
- 3 layer mask
- Extra-soft ear loops to eliminate pressure to the ears.
- One size fits most
- More than 95% filtration
- Inner layer is made of soft facial tissue

**Cost: \$42.10**

### KN95 Mask - 20pc (FM-1)

- Adjustable nose piece and secure ear loop to provide a proper fit.
- Superior protection against non-oil-based particles
- Flexible elastic ear loops relieves pressure to the ears
- 5 layers providing ultimate protection
- **Cost: \$12.00**

### Disposable Level-3 Mask, 3-Ply 50pc (VZ-HU-FM3)

- FDA and CE approved
- ASTM Level 3
- Prevents contamination by capturing liquid droplets expelled by the user
- Protects against smoke, aerosols, and other airborne particles
- Designed for comfort

**Cost: \$15.75**

### Disposable Child Face Mask, 3-Ply - 50pc (FM-7)

- Designed for children
- Three layers of protection made of non-woven fabric
- Adjustable ear loops make it easy to fit any head size.
- Unique ventilation for enhanced breathability

**Cost: \$8.00**

### Disposable Level-2 Mask, 3-Ply 50pc (VZ-HU-FM2)

- FDA and CE approved
- ASTM Level 2
- Prevents contamination by capturing liquid droplets expelled by the user
- Protects against smoke, aerosols, and other airborne particles
- Designed for comfort

**Cost: \$13.95**

### Disposable Face Mask, 3-Ply - 50pc (FM-4)

- General use face mask
- Durability to protect you during daily activities
- Comfortable fit over nose and mouth soft ear loops that won't hurt your ears
- Excellent fit that molds to your face, even with glasses

**Cost: \$7.00**
