DIARY 2021:

I have the diary for 2021. Please let me know if you wish to reserve dates for Liturgies to be celebrated in the new year.

GUIDELINES:

We are allowed 75% capacity during our Services, but it is vital that the necessary hygiene and social distance precautions are kept in place and observed in order to protect everybody. Please note the following: The church has been marked out for social distance regulations. If you wish to attend Liturgical Services you MUST register first, if you do not register you may not be allowed to attend. Temperatures WILL be taken before you enter the church.. NO singing permitted. Only the cantor may sing. Holy Communion will be distributed by individual WOODEN SPOONS. The church MUST be sanitized after each Service. Anyone who is unwell or sick should not attend. All this is for our health and safety. Please register on line or ring Sandra Lausier (860) 261 5659.

CCD CLASSES:

Anyone joining us for catechism classes is encouraged to join our parish face book page. (St Michael's UCC Catechism.)

VOLUNTEERS:

We will need volunteers to help sanitize the church and hall after services and classes. Please help.

NEW CHURCH BOILER:

As announced last week in church. We have to replace the boiler in the church. The total cost will be \$16,978.00. Please help and support as you have in the past. Thank you.
