

CABLE TERMINATOR

- The HV CABLE TERMINATOR clamps and secures high voltage cables — allowing for **ergonomically correct, safe** and **clean** cable terminating.
- Designed with linemen and field-tested.
- Made of light weight high-grade aluminum, with a durable powder-coated finish.
- Features high speed clamps to secure the tool and cables tight.
- Fits up to a 2-3/8" (60mm) mounting edge (pad-mounted cabinet).
