This year the losco County Agricultural Society dedicates the Fair Premium Book

to Dennis & Carolyn Wright for their Years of Involvement with the losco County Fair

Dennis and Carolyn are one of those couples that every community loves to have as residents! Prior to retirement they lived in Otisville, Michigan and Dennis worked for AC Delco until he retired. He also served for 12 years as a Corpsman in the Naval Reserves. Carolyn was a homemaker for her family and served as a lunch lady for Lakeville Community Schools. In 2002 they moved from Otisville up to Londo Lake where they built their retirement home. It didn't take them long to start getting involved in the Hale community. They started attending the Hale United Methodist Church and became active there with Dennis serving as the organist for

Sunday Services. Carolyn became active in the local quilters guild known as the Hale Country Quilters and is still active with that group today. In 2004 they also became involved with the Hale Area FISH organization where countless hours have been served. These are just some of the many ways in which Dennis & Carolyn have generously given, and still do give, their time helping others in our community.

A little over 15 years ago Dennis and Carolyn expressed an interest in getting involved with another aspect of this community with that being our organization – the losco County Agricultural Society. Early on Dennis expressed an interest in doing maintenance things such as helping to mow the grounds. Dennis has helped with some of the building projects on the grounds as well. Years ago he volunteered to take on the role of Camping Superintendent. As we have added facilities to the camping area in the form of a bathhouse, dump station and more campsites Dennis's job has continued to grow with the campground being nearly full these days during our fair. Dennis and Carolyn camp right out there with everyone else so they can attend to campers needs. Once the bathhouse was built their family took on the role of keeping that facility clean during the week of the fair, and Dennis helps to make sure it is kept clean other times of the year as well. About a decade ago Dennis also volunteered to co-chair the winter boat and camper storage. This is a big job that Dennis still helps with today. Along the way Dennis was also voted onto the Board of Directors for the losco County Agricultural Society and continues to serve as a Trustee on our board today.

Carolyn has served as the Superintendent of our Needlework Department at the fair for many years. She also helps coordinate the demonstrations that the Hale Country Quilters guild do during fair week, and has spent countless hours doing demonstrations at the fair as part of that organization. She helps to watch over the Dooley Building during fair week doing a great job visiting with fairgoers helping them with their many questions! Carolyn has provided food for work bees several times over the years, and has helped to host various fundraising events for the fair. One of the longest running fundraisers she has been involved with is the Quilt Raffle that the Hale Country Quilters does each year to generate funds to help the fair.

Dennis and Carolyn's giving spirit and generosity towards the losco County Fair doesn't end with them though. Over the years their daughter Julie and grandson Carter have become regular helpers at the fair as well. Taking time from their busy schedules in Florida they fly up and spend the week of the fair with Dennis & Carolyn at their campsite. Julie helps both Mom with her Needlework Department and Dad with the many tasks he takes on during fair week. Carter typically can be seen riding around with his grandpa and last year took on the role of fair photographer for us – a big job! Both Julie and Carter have become members of the fair board as well. Dennis & Carolyn's other daughter Jodie and her family regularly come up to the fair to visit and enjoy the many events going on.

We are thankful for all of the time and work that Dennis and Carolyn have put into making the losco County Fairgrounds a more attractive and enjoyable place for fair attendees! We appreciate the active, friendly & giving spirit they both display at the losco County Fair and throughout our community. Without their help the losco County Fair would not be what it is today. The losco County Agricultural Society wants to take this opportunity to say a huge THANK YOU to Dennis, Carolyn and their family for their years of service and support of the losco County Fair!

Bonnie Bowen (92 years young) has a whimsical outlook towards life which is apparent in her watercolor paintings. In 2020 Bonnie started featuring a painting on Facebook (Bonnie Bowen #Belikebonnie) each day, she continues to share her joyful art each day.

Her ideas spring from her family life, her friends, the heroics of frontline workers, songs, movies like the BLUES BROTHERS, flowers and moments to remember.

The only time Bonnie has taken a break from painting is when she had Covid-19. She gives us hope with her paintings each day which often take us on a walk down Memory Lane, as she describes, "a simpler time." Bonnie spends part of her summer in Tawas, Michigan.
