Iosco County Fair Mission Statement

The Iosco County Agricultural Society is committed to producing a successful fair which promotes and advances the interest of agriculture, community development, and provides quality entertainment. The primary focus of the county fair is to, first and foremost, serve as a showcase of the talents of the youth of the community by providing means of education, exhibit and competition of the various livestock and non-livestock projects the youth are involved in. The Iosco County Fair presents an opportunity for all members of our community, as well as neighboring communities, to exhibit their special skills and hard work. The fair is a celebration of the special qualities of life in Iosco County. We are happy to provide the youth of our community with an event and venue to showcase their talents through 4-H, FFA, and other means. The Society will also use the county fair to highlight the heritage of the community, and its ties to agriculture, and the businesses that are the backbone of the community.

Iosco County Fair History

The original Iosco County Fair was formed in 1875 and continued until the mid-1930s when it was discontinued because of poor county economy. Any record of that fair organization is not available, but exhibitions were held in the Tawas area.

In 1943, the local 4-H clubs held and "Exhibition Day" in the Iosco County garage in Tawas City and the possibility of again holding an Iosco County Fair was discussed.

The first meeting of the Iosco County Agricultural Society, as we know it, was held in the Plainfield Township Hall in Hale in July 1944. Area citizens of the Pomona Grange of Grant, Reno, Burleigh and Plainfield Townships met again in August 1944 and the association was organized under the Statutes of the State of Michigan and the Iosco Agricultural Society. Addies Scofield acted as chairperson and Harold Black as secretary-treasurer. The charter date was October 31, 1944. The first 50 consecutive years of Iosco County Fairs were held October 26th and 27th (some records show October 28th also) of 1944. Premium list payment that year amounted to \$399.87.

Over the years, many additions and improvements have been made to the fairgrounds. In 1949, property was purchased, and bleachers were built. Board members harvested lumber to build new horse barns. Society members donated trucks, tractors, saws, and labor to make these improvements.

In the early 1960s, restrooms were built, the new community building was used for exhibits and new livestock and poultry barn were constructed. In 1968, an old CCC building was purchased and moved to the property and booths were built for displays of arts and crafts, canned and baked goods, antiques, and 4-H exhibits. Premium list payments that year amounted to nearly \$3,000.

Your support, along with the support of Donors and Sponsors have helped us to not only provide a fair for the citizens of Losco County during those 80 years, but have also helped us to increase the opportunities & facilities available to the citizens of Losco County and the surrounding areas.

The Losco County Fair would not be possible without everybody's generosity and support! Our appreciation also goes out to all who patronize our supporters, their businesses, and community organizations that assist us. We look forward to seeing you at the 2024 Losco County Fair!
