To Whom It May Concern:

Please be advised that the Kaiser Aluminum Fabricated Products, LLC and Kaiser Aluminum Washington LLC (Kaiser Aluminum) produce and process aluminum products.

Producing and processing aluminum products is included in the Critical Manufacturing Sector defined by the United States Department of Homeland Security (DHS) and has been deemed by the DHS to be crucial to the economic prosperity and continuity of the United States.

The products made by Kaiser Aluminum are provided to Kaiser Aluminum's customers for use in a wide range of products in other industries which are also part of the Critical Manufacturing Sector, including machinery manufacturing; electrical equipment; appliance and component manufacturing; transportation equipment manufacturing; chemical manufacturing; communications; the defense industrial base; the energy sector; the food and agriculture sector; the healthcare and public sector; and the information technology sector.

The supply of products and services to Kaiser Aluminum facilities is necessary to maintain the continuity of our operations and to support the critical infrastructure sectors identified above, outlined at <https://www.cisa.gov/critical-infrastructure-sectors> and called out in each of the executive orders within states where our facilities are located..

Any questions regarding this letter and my role at Kaiser Aluminum can be directed to Kaiser Aluminum's General Counsel:
