SKILLS

- Creative Ideation and Facilitation
- Empathy - Critical Thinking
- Adaptability - Teamwork - Design
- Interpersonal Communication
- Public Speaking -

An individual with innate curiosity, independence and drive to push beyond one's comfort zone. Willing to take up new challenges and resilient in facing adversities. Passionate and aspire to develop my 'Playnting' art movement so as to contribute back to the nation, society and the world. That is my dream. That is my purpose. That is I.

**'Playnting' is the philosophy of
visualising the rhythm of internal Self and External World
via Art.**

In other words, I express with rhythm.

"Through 'Playnting' I have hopes and dreams of making the lives of my fellow men better for there is no greater satisfaction."
