Service Address: _____

Date of Service: _____

Job/Work Order #: _____

1. Scope of Work

Customer has contracted Pumpco Septic ("Contractor") to perform septic services which may include but are not limited to: locating, pumping, inspecting, repairing, or replacing septic tanks, drainfields, and associated plumbing or electrical components.

2. Customer Responsibilities

Customer agrees to clearly mark or disclose the presence and approximate location of all underground and surface obstructions, including but not limited to: Utility lines (gas, water, electric, cable, fiber optic, etc.), sprinkler systems and irrigation lines, driveways, sidewalks, patios, and concrete or asphalt surfaces, landscaping elements (trees, shrubs, sod, fences, mulch beds, etc.), and private lines or unmarked utilities not covered by 811 or local locating services.

3. Liability Waiver

Customer acknowledges that Pumpco Septic is not responsible for damage to any of the following: buried or hidden utilities and private lines not properly marked or disclosed by the property owner, driveways, concrete, or paved surfaces that must be crossed or accessed to perform septic service, lawns, landscaping, trees, shrubs, fencing, or decorative features that obstruct access to the septic system, and damage caused by heavy equipment access required to complete the work. Customer further agrees that Pumpco Septic shall not be held liable for any incidental or consequential damages arising from the necessary access, excavation, or service of the septic system.

4. Site Access

Customer grants Pumpco Septic full permission to enter the property, operate necessary vehicles and equipment, and perform all work required under this agreement. The customer acknowledges that restoration of landscaping, hardscaping, or surfaces disturbed during service is not included in the service price unless specified in writing.

5. Acknowledgment
