Sweets & Treats

Pies : Cutie mini pies 4" individual pies 5.50

Ann's Pecan Pie *If you love Pecan Pie this is truly an awesome Pecan Pie, not too sweet and does not have a strong "Karo taste". Uses whole Pecans, each pecan is a candy treat by itself. These are 4" mini pies and you can share one with a special someone but after one bite....you won't want to share.*

Texas Trash *Featured on The Today Show, Bon Appétit's Editor-in-Chief, Adam Rapoport, named the Texas Trash Pie the #1 food gift to ship to your family and friends. Bud, "the Pieman" Royer has been cranking out this ooey, gooey pie from his little shop in Round Top, TX that has everything you want in both a candy bar and pie! We're talkin' caramel, chocolate chips, coconut, graham crackers and pretzels...all in one bite! Warm it up for top notch pie-eatin'.*

Sweet n' Salty *This pie is more like a brownie pie fusion. Is a dense gooey, fudgy pie that's topped with caramel and sea salt to make all your taste buds tingle.*

Bud's Chocolate Chip *We sell this HANDMADE PIE 4 to 1 over all other pies. It is best described as a "big thick & chewy chocolate chip cookie with pecans". It is best to eat it warmed with a scoop of vanilla ice cream to top it off!*
