

The Collective Academy

Ages 7-13 y/o

This program is for any dancer age 7-13 y/o who are looking to learn, train, and grow into the best dancer they can be!

Each class will challenge our dancers to progress and perform at their highest level by working in an exciting and supportive environment.

This curriculum is designed to help every dancer find their unique passion and commitment to dance.

1-2 ballet classes are required per level (see class schedule for specific requirements) in order to take any other style in the specified level. We encourage all of our dancers to try a variety of styles and enjoy all that each one has to offer.

Placement -

Placement evaluations will occur the first 2 weeks of classes attended. If adjustments are needed, we will contact each family individually to adjust. We can't wait to dance with you!

Pre-pointe/Pointe -

If your dancer has never taken a pointe class please enroll them in the pre-pointe level if age appropriate. If your dancer has taken 1-2 years of pointe please enroll them in "Pointe A". Pointe testing will occur the first week of classes.

The initials in parentheses next to the day will indicate which instructor will be teaching each class.

Each class marked with * is a recital class, and will participate in our year-end recital. More information regarding our recital will be available in the next month!
