

MEDICINE IN REMOTE AREAS (MIRA)
JOINING INSTRUCTIONS

GENERAL

Thank you for choosing Horizon to be your training provider and booking a place on the Medicine in Remote Area's (MIRA) course, certified by The Royal College of Surgeons (RCS) Edinburgh.

The course has been designed to provide personnel who already have experience in Pre-Hospital Care, the added skills and knowledge to be able to deal with casualties in remote and challenging environments. The course focuses on stabilisation of the casualty, through to the skills required for prolonged field care until the arrival of the emergency services.

The MIRA course is ideal for medical professionals who work in or want to work within remotes areas as a tier 1 remote medic.

The course includes both theoretical lectures and practical sessions, designed to develop an all-round first responder. Our instructors use a range of scenarios to prepare you for managing medical emergencies in high risk or hostile environments.

Our instructors are paramedics with a wealth of knowledge and frontline experience.

The MIRA course is delivered over 4 days. On the final day you will sit a written examination and be assessed on the practical elements of the course.
