All Parents are expected to volunteer some time when they can! this could be once a year, once a month, or once a week there's lots of roles that you can do to support the group on an ongoing basis, have a think about your skill set and what you could contribute, it might be doing some admin, helping with the finances, supporting with programme delivery or even sleeping over on camps the list goes on!

As a parent/carer in the group you automatically become a member of the group scout council. This council is who the Board of trustees is accountable too! Each year the group trustees will aim to hold an AGM or Annual General Meeting as it's called this will be to elect the trustee members, Chair and Treasurer for the year ahead through an open selection process. It also gives a chance for scout council members to see the group overview and financials of the year, Its a great meeting to see everything the group has been up to over the last year. Special awards will also go out during this meeting
