## KBC Transport Training

At KBC we are making a few new upgrades starting with our new office space. Located at Georgia 400 and the Glenridge connector we are located in the Glenridge Highlands One building. With our new expanded space we have also expanded our online digital platform to provide more classes as well as instructors. Giving us the ability to training even more drivers. Our digital technical training program is simply the best on the market today and we can prove that by the professional drivers we are graduating. KBC is also expanding our BTW driving range training South Carolina, Tennessee, Alabama and Florida.

Expanding our driver training range for BTW in multiple states.
