OUTSTANDING!

We hired GLEAUX for a corporate event at Stubbs BBQ while we were visiting Austin. Myself and the entire team were so impressed by the performance! Everyone still keeps asking me about them! Music was incredible - perfect fit for our group!! We will def. book them again if we're out in Texas - although, my CEO wants to book them for CA events ;) Highly recommend!

NOTHING SHORT OF AMAZING

GLEAUX band was literally was the best thing we could have had for our party. They had such a great variety of songs, interacted with the crowd, and kept us jammin! Not to mention, everyone was very friendly, respectable, and ON TIME. If I could rate more than five stars I would. Love Them!
