## Hip Hop with Jackie Koegel (7/31)

Jackie's love for dance started in her hometown of Des Moines, IA with her competitive high school team. From there she went on to dance at the University of Louisville then professionally for several years. After gaining a multitude of experience, she decided to take her talents behind the scenes and pursue coaching, choreographing, and creative directing. Shortly after moving to Oregon Jackie was offered the head coaching position at Southridge High School in 2008. Throughout her time at Southridge she has choreographed numerous routines which have led them to finals in the small hip hop division at UDA as well as many state titles in hip hop and pom. Alongside of coaching Jackie has been fortunate enough to work and choreograph for companies such as Nike, Portland Trailblazers, University of Oregon, Oregon State, and many other high schools, colleges, and studios. Her high energy and hard hitting hip hop is an experience that is fun but will push you to be the best you can be!
