

Studio Policies and Procedures Revised May 2022

Tuition - *Tuition is due by the 5th of each month. We accept cash, check, card (with fee), and PayPal or AutoPay*

Tuition that remains unpaid at the end of the day on the 5th will be assessed a \$10 late fee and will be charged directly to the card on file, with a 6% processing fee. Please pay on time to avoid extra fees!

Tuition is based on yearly costs and therefore the same every month regardless of the number of weeks in the month. We break the cost into monthly payments for your convenience.

No refunds will be given for missed classes.

A **\$30 fee** will be applied to all accounts for returned checks. If your check is returned, we will no longer accept them as payment for your account.

If your tuition is not paid by the 10th, and no arrangements have been made with studio directors, your dancer will not be allowed to participate in classes until the account is paid in full.

Your account must be paid in full to receive costumes, purchase recital tickets, or perform in recital.

Your account will continue to be charged unless the Parent/Guardian withdraws the student from class. It is your responsibility to contact studio directors to withdraw a student.

Recital

Registration will remain open for all students from August- December. Upon returning from the Winter Holiday Break, all students enrolled in class will be assumed to be participating in the June Recital.

Recital is a COMMITMENT. Please be aware of the time and effort that goes into planning this event as well as choreographing each piece.

Recital Fees must be paid in full by November 1st, 2022. This fee includes the cost of costumes, tights, and accessories. Please see our schedule for fees for each class. It is very difficult to order costumes and have them here in time after the first of the year. Therefore, we must meet this deadline.

Picture Day is May 20th, 2023 at the LDC studio. Picture call times, and hair and makeup instructions will be released in May. Costumes are sent home the week of pictures and it is parents responsibility to keep them in great condition.

Recitals take place in December and June. Tentative dates are December 16-17, 2022, and June 2-3, 2023. Please plan to have your dancer present at these special events, including the dress rehearsals!

Studio Etiquette

Students are expected to attend class each week. They miss valuable training and choreography when absent. It is the responsibility of the parent/dancer to schedule private time to make up missed lessons if needed. This will require an extra fee to be assessed by the teacher/directors. Dancers that miss frequently and therefore do not know the material may not be able to perform in recital.

Dancers MUST attend the last two weeks of class prior to the recital. This is a critical time in finalizing the performances. They must also attend the dress rehearsal. Dancers who miss during this critical time may be pulled from the showcase.

The Studio Directors will hold a zero tolerance policy for any behaviors or language that is disruptive, derogatory, or otherwise deemed inappropriate. Students will be given one warning about these types of behaviors and parents will be called. In the event that the behavior continues, the student may be asked not to return to any classes. LEGACY DANCE COMPANY, LLC is equal opportunity for all students regardless of race, religion, sexual orientation, or political affiliation. Students or parents who cannot support this policy will be asked to leave. Food and drink are not permitted in our studios. The lobby is an acceptable place to enjoy light snacks. Water in re-closable containers is allowed and encouraged in class.

Please help us keep our studio clean by picking up after yourselves and disposing trash in the appropriate place. If you see that any area of the studio needs attention/cleaning, please report it to a member of our faculty immediately.

Children under the age of 8 should not be left unattended in our lobby. No running or horseplay in the studio, please be safe and respectful.

Our teachers will always make safety their number one priority; therefore, injured dancers may be required to submit written clearance from a medical professional before they can dance after any injury. This will be at the discretion of our teachers and the Studio Directors.
