

# FALL 2025 SCHEDULE

LEAF's social skills group supports social-emotional growth through structured lessons followed by play-based activities. Children learn key social skills in a supportive group setting, then practice and apply those skills naturally through guided play.

Led by credentialed Early Intervention Specialists, using evidence-based strategies, our model bridges structured learning with real-world interaction, helping kids build confidence, connection, and meaningful friendships.

Children will learn to:

- Take turns & share
- Resolve peer conflicts
- Understand others' perspectives
- Use self-regulation techniques
- Sustain & maintain cooperative play

Classes Begin August 25<sup>th</sup>–December 18<sup>th</sup> (16 weeks)

---
