SOCIAL SKILLS TRAINING & PLAY GROUP

LEAF 's Social Skills & Themed Play Groups are 90-minute social skills sessions that offer a dynamic blend of structured learning and playful exploration. Designed for children to build confidence, communication, and connection in a nurturing group environment.

Led by credentialed Early Intervention Specialists, each class begins with an engaging social-emotional lesson focused on key skills such as taking turns, resolving peer conflicts, and using self-regulation strategies. These lessons are followed by a guided play group, where children naturally practice what they've learned through fun, themed activities.

Weekly Play Themes Include:

- Books & Board Games – turn-taking, flexible thinking, storytelling
- Social Art – creativity, cooperation, and expression
- Music & Movement – active listening, rhythm, and regulation
- Collaborative Building – teamwork, planning, and negotiation

Children that will benefit show an interest in peers, are able to follow simple 1-2 set directions, beginning to use words, gestures, or alternative communication to express basic needs or feelings, can manage short group routines with gentle adult guidance.
