

Buhler Consulting, LLC to Assist Aerospace and Defense Companies

Buhler Consulting, LLC announces the opening of their consulting business. With growing defense challenges and budgets, subject matter expertise and real-world experience is needed now, more than ever. Buhler Consulting, LLC delivers results for their clients for a variety of consulting needs, such as SBIR grants, color teams, advisory services, innovation, AFWERX submissions/execution, and more. The CEO of Buhler Consulting, LLC is Air Force retired Brigadier General Carl Buhler.

WASHINGTON - Jan. 12, 2019 - [PRLog](#) -- Buhler Consulting, LLC announces the opening of their consulting business focused on the aerospace and defense industries. [Buhler Consulting, LLC](#) is based in Virginia with easy access to the Washington, DC and Virginia Beach metro areas. The company's experience spans the logistics, aircraft maintenance, munitions, Small Business Innovation Research (SBIR) grants, technology, supply, and production areas.

Buhler Consulting, LLC specializes in providing advisory services, developing and editing request for proposals (RFP), participating on color team reviews, creating innovative solutions, developing strategic plans, developing continuous process improvement solutions, pursuing SBIR grants, and executing AFWERX SBIR grants. They also provide consulting services for small companies pursuing business development opportunities with the Department of Defense.

CEO and Lead consultant, US Air Force retired Brigadier General [Carl Buhler](#), stated *"I'm excited to announce Buhler Consulting, LLC is available to assist any sized business achieve their goals. Our competitive advantage is our combination of real-world experience, subject matter expertise, and access to a vast-network of professionals."*

[Carl Buhler](#) added *"our professional consultants have a wide-range of DoD backgrounds and experiences, thus enabling tailored and scalable consulting services, depending on the project."*

With the defense market growing and facing a variety of challenges, Buhler Consulting, LLC is also adding additional capacity by partnering with consultant firms to expand their network of consultants. This will provide their clients with a robust network of expertise for project execution.

United States Air Force Brigadier General (ret) [Carl Buhler](#) started the consulting business after retiring from twenty-eight plus years of active duty service with the Air Force. Carl is a combat-proven veteran and a career aircraft maintenance, munitions, and logistics officer. [Buhler Consulting, LLC](#) is a Service Disabled Veteran Owned Small Business (SDVOSB) certified by the Department of Veteran's Affairs and was formed in Virginia in 2018.
