Awards Presentation

Blue Ridge High School, New Milford, PA

The Distinguished Citizen Award is presented annually to individuals who have demonstrated exceptional service and leadership in their communities and highlights those who exemplify the values of integrity, citizenship, and community involvement. The award ceremony serves as an opportunity to acknowledge and celebrate the positive impact these leaders have on society and serves as the premier fundraiser for Scouting America in Susquehanna County.

The name change from Boy Scouts to Scouting America reflects a broader, more inclusive approach to the organization's mission. Scouting America teaches young people to be **Prepared. For Life.**
