July 14, 2020

Greetings SRSO Coalition for Nevada County,

We hope this update letter finds everyone healthy and safe as we continue to deal with the COVID-19 situation.

For the foreseeable future, SRSO General Meetings are suspended in compliance with local and State COVID-19 guidelines. We will continue to send out SRSO update letters as a means to connect with the Coalition to share pertinent information, keep you all updated on SRSO efforts and provide notification when we are able to schedule meetings again.

We have been in communication with the County this month and they are actively moving forward with the RFP (Request for Proposal) process to hire a consultant who will gather and prepare a comprehensive data/information report on Mobile Home Park affordability, SRSO, etc. in Nevada County. At their request, we have provided feedback to them regarding current Legislative bills focused on Mobile Home Parks and brought to their attention those bills that benefit residents, as well as those that do not. The County will continue to keep us updated on the timeline around the RFP process and the subsequent study. Things are moving forward!

Please note below, the SRSO Coalition for Nevada County mailing address, **NEW** email address, and a contact phone number (Board Member/Secretary-Treasurer Jan Archer). **If you have questions and/or know of any folks who do not have email and would like to receive update letters, please have them contact us.**

The SRSO Board continues to work on SRSO issues and doing what it takes to keep our momentum moving forward, even in these challenging times. **WE ALL** must remain committed to realizing our mission and goal of establishing a Space Rent Stabilization Ordinance here in Nevada County. **TOGETHER WE ARE STRONG!!**

Stay SAFE and HEALTHY and HOPEFUL and HAPPY,

Your SRSO Board
