NOTES:

- 1. Back to Basics.** With summer of 2025 winding down, the focus for this month's drill is back to basics. For this month, both days will have quarters and inspections. One instruction period will be focused on the Chain of Command and the squads the Cadets are assigned to. The other instruction period is focused on saluting, columns and rank formation, and covering, aligning, facing.
- 2. New Format.** The new format of the Plan of the Month intends to provide the Cadets and Parents as much information to make their Cadet fully successful.
- 3. Upcoming events.** Swim qualifications; gun qualifications; time on the YP and Patrol Boats in the Chesapeake. Next drill will review Summer training, ribbons, and awards.
- 4. Coursework!!!** Success in Cadets depends on completion of coursework. If a Cadet is behind in coursework, he or she may be assigned to complete the coursework during drill and contacted to bring a laptop with them to drill.
