

Grade 3 Read to Achieve (RTA) End of Year Results SY 2023-2024

Purpose

Article 8 Chapter §115C of the General Statutes includes Part 1A, the North Carolina Read to Achieve Program. The goal of this program “is to ensure that every student read at or above grade level by the end of third grade and continue to progress in reading proficiency so that he or she can read, comprehend, integrate, and apply complex texts needed for secondary education and career success.”

Students are given several avenues to meet the RTA requirement (3rd Grade-Beginning of Grade (BOG) test, End of Grade (EOG) test, Reading Portfolios, and the local assessment iReady).

**Hobgood Charter School
is excited to report that**

49 of our 50

**3rd graders met this requirement
for SY 2023-2024.**
