## WELCOME MESSAGE FROM THE PRINCIPAL

Dear Hobgood Charter School Families,

It is with great excitement and heartfelt gratitude that I welcome you to the 2026-2027 school year at Hobgood Charter School! Whether you are returning or joining us for the first time, we are thrilled to have you as part of our school community!

Our mission remains rooted in providing a safe, nurturing, and academically rigorous environment where every student is encouraged to grow, lead, and succeed.

The Parent/Student Handbook is a vital resource that outlines our school's expectations, procedures, and policies. It serves as a guide to help ensure that we all work together to maintain a respectful, structured, and thriving learning environment.

Thank you for your continued partnership in helping us shape bright futures. Let's make this a year of growth, discovery, and shared success!

With sincere appreciation,

**Juliana Harris**

Principal

Hobgood Charter School

## **PURPOSE OF HANDBOOK**

The purpose of this PARENT/STUDENT HANDBOOK is to clarify and explain the rules, procedures, and expectations of Hobgood Charter School. This information is vital for preserving the integrity of the educational environment through consistent, safe, and orderly school operations.

## **OVERVIEW OF HOBGOOD CHARTER SCHOOL**

Hobgood Charter School (HCS) is a tuition-free public school in Halifax County located at the meeting points of Halifax, Martin, and Edgecombe counties.

## **HOBGOOD CHARTER SCHOOL MISSION STATEMENT**

*Hobgood Charter School is committed to a holistic approach to excellence: academically, physically, emotionally, and socially. Through rigorous small group instruction, multi-age collaboration, and community involvement students will establish patterns for healthy, lifelong learning.*

## **VISION FOR OUR SCHOOL**

Hobgood Charter School is committed to excellence by helping each student achieve his or her potential in a rigorous, supportive environment. Our school also provides opportunities for students to build character that values sound judgment, exemplary behavior, and respect for their fellow man. Each student will be equipped to lead a healthy, productive life that is economically stable, moral and fulfilling. Collaboration among all stakeholders is essential to the achievement of this mission.

HCS instructional staff will utilize a whole child, constructivist approach to teaching and learning. In a constructivist approach, teaching is based on the belief that learning occurs as learners are actively involved in a process of meaning and knowledge construction as opposed to passively receiving information. An old adage states: "Tell me and I forget, show me and I remember, involve me and I understand." The last part of this statement is the essence of constructivism. Using this approach, the North Carolina Standard Course of Study and Essential Standards

will be the foundation for content standards upon which the instructional staff will build and expand while addressing the developmental domains of students - cognitively, physically, social-emotionally, and linguistically.

## **BOARD OF DIRECTORS MEETINGS**

Hobgood Charter School is governed by the board of directors of the non-profit organization that holds the charter. The board governs through its adopted policies and clear evaluative metrics. Its primary duties are to ensure that:

- The academic programs are successful
- The school's operational programs comply with all terms of its charter
- The school is compliant in all statutory and regulatory requirements
- The school is financially solvent
- Competent, professional staff are hired to carry out the operational plan

At every meeting, the board should discuss the financial stability, academic standing, and any compliance situations to ensure it is making adequate progress towards renewal.

All regular, committee, and special meetings of the Board of Directors shall be open to the public. Please consult the HCS website for dates and minutes.

### **Accountability for Academic Achievement**

The HCS Academic Accountability policy is designed to ensure that students in Kindergarten through 12<sup>th</sup> grades are meeting promotion standards in order to be promoted to the next grade level.

There is a direct correlation between positive school/classroom behavior and student achievement. Students who do not observe the rules of positive conduct in the classroom, hallways, school assemblies, cafeteria, on the school bus, on the playground, bathrooms, or on field trips interrupt the maximum learning and threaten the safety of others. Additionally, disruptive students minimize their own opportunities to learn.

The faculty, staff, and administration of Hobgood Charter School will take a proactive role in enforcing the Student Code of Conduct outlined in this handbook. The Student Code of Conduct provides parents, students, and HCS personnel with a common understanding of the academic and behavioral expectations for each student.

### ***Grades K-2***

Students in Kindergarten through second grades shall demonstrate grade level mastery of required skills listed in the North Carolina Standard Course of Study in reading, math, and writing. Mastery of skill will be measured by formative, benchmark, and summative assessments. Students must also meet the state attendance requirement.

### ***Grades 3-8***

Students in grades 3<sup>rd</sup> through 8<sup>th</sup> will take the NC End-of-Grade (EOG) tests in reading and math at the end of the school year. Students in grades 5<sup>th</sup> and 8<sup>th</sup> will also take the EOG test in science. A student who scores below Level III on either test may be retained in the same grade. However, a student who scores below a Level III and who has met the state attendance requirement could be considered for promotion if the following criteria are met:

1. The student meets grade level reading and math proficiencies before the new school year begins during summer reading/math camps;
2. The student's reading and/or math teacher shows evidence that the student is performing on grade level;
3. The student has been retained once previously in grades K-5 or in grade 6-8.

Additionally, 3<sup>rd</sup> grade students have to meet the Read to Achieve standards. All students who do not pass the EOG will go through an initial waiver meeting to determine if the student will be retained or promoted.

### **High School**

- Students enrolled in HCS high school courses will take state-required End-of-Course (EOC) exams at the end of the semester for Math I, Math III, English II, and Biology. Per SBE policy TEST-003, schools are to use results from all EOC assessments as at least twenty (20) percent of the student's final grade for each respective course.

## **Grading Scale for Grades K-12th**

### ***Grades K-2***

Students in grades K-2 will receive categorical scores for formal reporting on report cards. Student progress will be noted using the following descriptors:

4-Consistently Exceeds Grade Level Expectation

3-Consistently Meets Grade Level Expectation

2-Performance is Developing

1-Student Has Not Yet Developed the Skill or Behavior

### ***Grades 3-High School***

For students in grades 3-12, teachers shall record actual grades in Infinite Campus and on assigned work, but the lowest average obtained by students will be a 50 for the first grading period of a semester course and first and second grading periods for year-long courses. Points shall not be deducted from a student nor shall a student's grade be lowered for disciplinary reasons or failure to participate in or complete non-academic activities. Points shall not be awarded for academic credit for non-academic activities.

Students in grades 3-12 will receive numerical grades for formal reporting on report cards. Student progress will be noted using the following notation:

A=90-100 (Superior Performance)

B=89-80 (Above Average)

C=79-70 (Average)

D=69-60 (Below Average)

F=59 and below (Failing)

### **Grades 9-12**

Below are requirements for promotion/retention for high school classification as well as honors recognition to be discussed and approved for graduation:

## **Promotion Requirements:**

The following credits must be earned in order to be promoted to grade levels beyond 9th grade:

Freshman/9th grade - promoted from 8th grade

Sophomore/10th grade - 6 units (including English I plus 1 core unit)

Junior/11th grade - 12 units (including English I and II, Math I plus 2 core units)

Senior/12th grade - 18 units (including English I, II, and III, Math I and II plus 5 core units)

Note: Core units are those required for graduation. They are cumulative - the core units required for promotion for one grade count towards those needed for the next grade.

**NC Diploma Endorsements** - seals of special achievement that will be placed on the diploma

Special Graduation Honors you can earn:

- Honor Graduate - 3.7 weighted GPA and no course failures during high school
- Graduation cord for Community Service - minimum of 5 service hours per year of high school
- Beta Club - 3.5 unweighted GPA and other requirements according to by-laws
- Valedictorian - Highest weighted GPA in the graduating class
- Salutatorian - Second highest weighted GPA in the graduating class

**\*\*Note:** Valedictorian / Salutatorian - HCS will announce its Valedictorian and Salutatorian at the end of each academic year. Determination of Val/Sal are based on grades through the final progress report of the final semester of the senior year. The principal will certify the results and announce the results before graduation. The student(s) with the highest Grade Point Average, based on eight full semester grades, rounded to the nearest 100ths shall be named Valedictorian of the graduating class. The student(s) with the second highest Grade Point Average, based on eight full semesters, shall be named Salutatorian of the graduating class. To be declared the valedictorian or the salutatorian, a student must have been enrolled in the school three full and

consecutive semesters prior to graduation during which credit toward selection is earned. Any student who transfers to HCS from an Innovative Cooperative Education School is not eligible for Valedictorian and Salutatorian designations.

## **Homework**

Hobgood Charter School believes that focused homework assignments are important for student growth:

- Students in K-2 should expect no more than 30 minutes total per night.
- Students in 3-4 should expect no more than 45 minutes total per night.
- Students in 5-6 should expect no more than 60 minutes total per night
- Students in 7-8 should expect 30 minutes of work per course per night.
- Students in 9-12 should expect 30-45 minutes of work per course per night.
- Two days per one absent day will be provided to complete assignments missed due to health or family-related issues.
- Grading and late assignment procedures are determined by grade levels and content areas.

## **Honor Roll/Principal's List**

Students in grades 3-8 receiving all A's on their report card will be listed on the Principal's List. Students with all A's and B's will be on the Honor Roll. K-2 students with all "At" or "Above Standard" on their report card will be on the Principal's List. Students should not receive below an "S" on conduct or electives to be on these lists.

## **Individual Education Plans (IEPs)**

Hobgood Charter School will follow the Department of Public Instruction (DPI) Special Education Rules and Regulations based on the Individuals with Disabilities Education Act (IDEA) legislation for students with Individual Education Plans (IEPs).

## **Parent Conferences**

Parent conference dates are scheduled at the end of the 1<sup>st</sup> and 3<sup>rd</sup> grading periods during report card distribution and on an as-needed basis at other times during the school year.

If a parent is aware that his/her child is having difficulties in a particular subject, the parent is encouraged to meet with the teacher and together work toward a solution. Parents may also access support from the Counselor and Lead Administrator/Principal if the difficulties persist.

## **Testing Information**

There will be a variety of assessments given to every child throughout the year. Most assessments will be formative in nature and will be embedded into the daily routines of classwork. The school may require limited more formalized assessments while others will be statewide assessments. It is the intention of HCS to eliminate undue stress on students in preparation for these assessments. In each case, it is the desire of HCS that the assessments will provide meaningful data that can be used to evaluate instructional practices, monitor student growth and mastery of skills and standards, as well as make sure the curriculum is tied to state standards. Specific dates are established for statewide testing. Statewide testing dates will be announced and distributed throughout the year.

It is important for families to talk with students about their testing, always encouraging them to give their best effort possible. Celebrations of growth and mastery will take place throughout the school year in order for each student to recognize the gains made during the course of the year.

## **Hobgood Charter School Exam Exemption Policy**

The Hobgood Charter School Exam Exemption Policy is designed to reward students for good grades, work ethic, and regular school attendance. Hobgood Charter School final exams will be given the last five days of each semester. No student shall be allowed to be exempt from any state required exam including End-of-Course

(EOC) and Career and Technical Education (CTE) exams. All exams must be taken at the scheduled exam time unless permission is granted by the Lead Administrator due to extraordinary circumstances. There will be one make-up day for all exams.

The following guidelines will be used to determine if a student is eligible for an exam exemption.

1. Students who have enrolled in traditional high school courses and who have maintained an overall "A" final average of 90-100 with 3 or fewer unexcused absences.
2. Students who have enrolled in traditional high school courses and who have maintained an overall "B" final average of 80-89 with 2 or fewer unexcused absences.

Teacher-made exams or final evaluations will be given at the determination of the Lead Administrator. All teacher-made exams given will count 10% of a student's final grade. All state exams (EOC, CTE) will count 20% of the student's final grade.

Any student who qualifies for an exemption has the option to take the final exam. If the examination score will improve a student's grade average, it will be calculated as a part of the final semester average. Otherwise, the examination grade will not count.

There will be no exceptions to the exemption criteria and guidelines.

## **Textbooks**

Students will be responsible for any book assigned to them or checked out by them. Should a book be lost or damaged, the student to whom the book is assigned is held responsible for the replacement cost.

## **Transfer Student Placement**

Students may transfer to HCS from a variety of settings including private and homeschool settings. Once a student enrolls, placement of the student will be determined based on student records from the previous school setting and any other supporting information in order to ensure the student placement is optimal for educational success. In accordance with G.S. 115C-288, the Lead Administrator/Principal makes the final decision on grading and classifying students.

## **Waiver Request (Retention Decisions)**

A parent of a student who failed to meet the EOG or EOC test standard in the regular testing period and was not waived at the initial waiver meeting, may appeal to have the EOG or EOC test standard waived. The appeal will be made to the Lead Administrator/Principal. The Lead Administrator/Principal will put together a Retention Review Team which will be comprised of the Lead Administrator/Principal, the student's teacher(s), another staff member designated by the Lead Administrator/Principal, and parent(s). The Retention Review Team will review all documents presented for review by the teacher and the parent. The Retention Review Team will make its recommendation based on the documentation presented that shows the student has mastered the grade level performance standards for promotion to the next grade. In accordance with G.S. 115C-288, the Lead Administrator/Principal makes the final decision on grading and classifying students.

## **ATTENDANCE, ABSENCES, & TARDIES**

Hobgood Charter School students are required to be present and on time and remain in school for the full day, every day. Regular attendance is expected of all students as frequent absences and tardies have a critical impact on their education and emotional and social progress. Prompt daily attendance at school enables each student to gain the skills, knowledge, and concepts to be successful in the classroom, explore new academic challenges, and perform successfully in challenging academic settings. **Hobgood Charter School monitors student attendance very closely and abides by the Compulsory Attendance public school law governing student attendance (N.C.G.S. 115C-378).**

Hobgood Charter School asks for parental help in establishing good attendance practices with your children. The policy for attendance in North Carolina Public Schools is 91% of all class meetings in order to receive credit for the grade/course.

### **Arrival/School Hours**

All students are expected to arrive at school on time every day and attend all classes as scheduled. Teachers cannot provide effective instruction for children who are frequently absent or tardy, as students who arrive tardy disrupt the learning environment.

Students should not arrive on campus before the posted arrival time.

Doors will open to students precisely at 7:45am for grades K-12

- 7:45-8:00am Student drop-off
- 8:00am Tardy Bell
- 2:55 Bus Dismissal
- 3:00pm Carpool Dismissal

### **Lawful (Excused) Absences**

The Lead Administrator/Principal has the right to excuse a student temporarily from attendance on account of sickness or other unavoidable cause(s). Below are the valid/lawful excuses for temporary nonattendance of a student at school as stated in the NC School Attendance and Student Accounting Manual.

1. Illness or Injury: When the absence results from illness or injury which prevents the student from being physically able to attend school.
2. Quarantine: When isolation of the student is ordered by the local health officer or by the State Board of Health.
3. Death in the Immediate Family: When the absence results from the death of a member of the immediate family of the student. For the purpose of this regulation, the immediate family of a student includes, but is not necessarily limited to, grandparents, parents, brothers, and sisters.
4. Medical or Dental Appointments: When the absence results from a medical or dental appointment of a student.
5. Court or Administrative Proceedings: When the absence results from the attendance of a student at the proceedings of a court or an administrative

- tribunal if the student is a party to the action or under subpoena as a witness. The Local Board of Education can be considered an administrative tribunal.
6. Religious Observance: School principals are required to authorize a minimum of two excused absences each academic year for religious observances required by faith of a student or a student's parents. The student shall be given the opportunity to make up any tests or other work missed due to this excused absence. (S.L. 2010-112)
  7. Educational Opportunity: When it is demonstrated that the purpose of the absence is to take advantage of a valid education opportunity, such as travel. **Approval for such an absence must be granted prior to the absence.** This would include, but is not limited to, a student serving as a legislative page or a governor's page.
  8. Local School Board Policy: HCS lead administrator may excuse temporary or occasional absences for other reasons in accordance with local school board policies, provided that the student has been in attendance for at least one-half of a school day during the current school year.
  9. Absence related to Deployment Activities: - A student whose parent or legal guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting for the purpose of visiting said parent or legal guardian. (G.S. 115C-407.5 Article V (E)) Page 13 of 81
  10. Child Care: Absences due to the illness or medical appointment during school hours of a child of whom the student is the custodial parent are to be coded excused (lawful). (G.S.115C-375.5)

### **Unlawful/Unexcused Absences**

- Illness or injury (Day 3+) when not accompanied by a provider note verifying the condition that caused the absence
- Car trouble or lack of transportation
- Oversleeping
- Personal business
- Vacations
- Failure to bring an official doctor's note or other official documentation within 5 school days following an absence

## **Attendance for Credit**

To receive credit in a class, a student must attend at least 90% of the days. These guidelines are set by the state of North Carolina and must be strictly adhered to. High school students who miss more than 10 days per semester for any course must repeat the course in order to earn credit for graduation.

## **Late Arrival/Tardiness**

Students reporting to school at or after instruction begins will be considered tardy. A tardy occurs when a student is not in the classroom when instruction begins at the beginning of each class period. **When tardy, the K-8 parent or 9-12 student must come to the front office to sign in and receive a late pass.** All tardies are marked unexcused unless a doctor's note is received **at the time of check in.**

## **Absence Documentation and Make-up Work**

After 3 absences per grading period, the parent and student will receive notification that the student is in danger of possible failure of the course.

If a child misses school due to illness or family emergency, please call the school at (252)242-1880 or email your child's teacher. If chronic absences or tardiness occur, the Lead Administrator or designee will contact the family to schedule a conference. When the child returns to school, please send a note to document the reason for the absence. Students must be present for 3.5 hours out of the day to avoid a full day absence.

Students will have two days for each excused day absent to make up any homework, classwork, quizzes, tests, or projects. It is the responsibility of the student/parent to communicate with the teacher(s) in regards to missed assignments and make up work. Failure of the student to make up missed work may result in zeros for those assignments.

## **Withdrawing from School**

A student under 18 may be withdrawn from school only by a parent or legal guardian. The school requests notice from the parent at minimum 2 business days

in advance so that records and documents can be prepared. The parent may obtain information regarding the withdrawal process from the school records manager.

To complete the withdrawal, all school property must be returned, which may include library books, athletic uniforms/supplies, school technology, and class materials. Additionally, any balances must be cleared which may include fees for lost/damaged property.

## **SCHOOL SCHEDULE**

### **Daily Schedule**

Doors will open to students precisely at 7:45am for grades K-12

- 7:45-8:00am: Student drop-off
- 8:00am Classes begin
- 2:55 Bus Dismissal
- 3:00pm: Carpool Dismissal

### **After School Procedures**

It is the expectation that students are expected to be picked up by their designated parent/guardian or their designated childcare or carpool driver if they are not attending after school care or riding the bus at the end of the school day. **Any deviation from this normal procedure must be authorized with a written note signed by the parent/guardian.**

Children not picked up by 3:10pm will be placed in after school care, and parents will be expected to pay the cost of after school care service for that day. HCS staff will be unavailable to supervise students after school hours due to scheduled meetings and trainings.

### **Early Check Out**

Students dismissed early in the day, for any reason, must be signed out in the office by an adult. Students will not be released until an authorized person comes into the building's main office and signs them out. Students will then be called to the office for dismissal. Students must stay in their classrooms until the office calls for their dismissal. Hobgood Charter School does not permit 'early check out' after dismissal

preparation begins (after 2:30pm). Students who must leave before the end of the school day should be signed out before 2:30pm. Frequent chronic 'early check-outs' are not permitted and will be closely monitored by the administration. ***Students checking out early will only be released to an individual listed on his/her Student Emergency Card.***

***Parent/Guardian or other designated person must be prepared to show photo identification.***

Parents and guardians are strongly encouraged to try to schedule all appointments/activities for after school hours so the student does not miss valuable instructional time.

## **Dismissal**

Students may not remain on campus after dismissal unless they have been formally registered for After School Care (available only to elementary and middle school students) or are participating in a school-sponsored after-school activity (athletics, clubs, rehearsals) under the direct supervision of a faculty member. Students must be picked up in a timely manner. Families who do not pick up students promptly at dismissal (by 3:10pm) will be subject to a monetary penalty of 1 afternoon of after school care for each incident. Children not picked up by 3:10pm will be placed in after school care, and parents will be expected to pay the cost of after school care service for that day. HCS staff will be unavailable to supervise students after school hours due to scheduled meetings and trainings.

## **Transportation Changes**

Students may depart from school in the following ways: school bus, car rider, or walker. Students are expected to take their pre-assigned transportation mode home daily.

In rare occurrences, parents may need to make dismissal transportation changes (i.e. bus rider switched to car rider). In order to make a transportation change, parents must contact the school by email at [ahowell@hobgoodcharterschool.org](mailto:ahowell@hobgoodcharterschool.org) or via phone 252-242-1880 by 1:30pm. We will not make changes after this time. This gives the office staff enough time to notify teachers about changes.

## **Early Release Schedule**

Hours for Early Release Days are 7:45am-12:00pm.

## **2-Hour Delay Schedule**

Classes will begin at 10:00am when a 2-hour delay has been issued. Students may not be dropped off at school before 9:45am.

## **3-Hour Delay Schedule**

Classes will begin at 11:00am when a 3-hour delay has been issued. Students may not be dropped off at school before 10:45am.

## **Master Calendar**

1. The main office will keep a master copy of the school calendar. All events, including athletics must be scheduled through administration in order to avoid conflicts. After approval is granted, final plans can be made. Do not continue with plans until approval is granted in writing to you.
2. The Lead Administrator/Principal must approve any activity that involves the use of facilities, faculty involvement, or student involvement.
3. The Lead Administrator and/or the Board must approve any activity that involves fundraising, travel outside of NC, or overnight travel.
4. The calendar will be made available electronically. Check the calendar regularly for updates or changes.

## **PLEDGE TO THE FLAG AND MOMENT OF SILENCE**

The General Assembly (G.S. 115C-47(29a)) has decreed that every public school in North Carolina will have a moment of silence and will recite the Pledge to the Flag of the United States. No remarks should be made during the moment of silence. Both activities will occur during Morning Announcements.

## **CODE OF STUDENT CONDUCT**

Optimal learning can only be attained in an atmosphere conducive to learning. For this reason, all students will comply with the Code of Student Conduct, state and federal laws, and school and board policies. The code is not intended to restrict but to enhance the learning environment. Students must comply with all directives from the Lead Administrator/Principal, teachers, substitute teachers, teacher's assistants, and all other school personnel who are authorized to give directions to students.

In an effort to ensure students have the skillset to make productive choices, resolve conflicts, and calm themselves appropriately, the staff and students at Hobgood Charter School will utilize practices encompassed in Conscious Discipline to support positive interactions and healthy responses to emotional upset.

Although a framework will be established to guide students in positive decision-making and interactions, there may be times when incidents occur that require swift action in order to ensure the safety of students and staff. In such instances, disciplinary action could include suspension for up to ten (10) days or less (short term); suspensions for the remainder of the school year (long term); and/or suspension for up to 365 calendar days as would be directed by the North Carolina General Statute.

### **Violations**

**These violations could include, but are not limited to the following:**

- Arson
- Assault on another student or employee
- Bomb threat
- Boycotts
- Campaigns
- Damage to property
- Disruption
- Disruptive literature/illustrations
- Failure to comply with a lawful directive

Additionally, students are ambassadors for HCS even when they are off-campus. HCS students are expected to observe all rules of conduct when on field trips, athletic events, or other school-sponsored activities, and when off-campus during the school day. With the school situated in a residential neighborhood, HCS students should take special care to be good neighbors to the residents.

### **Progression of Disciplinary Action for Minor Infractions**

- 1<sup>st</sup> Offense – Student/Teacher Conference
- 2<sup>nd</sup> Offense – Student/Teacher Conference/Phone Call to Parent
- 3<sup>rd</sup> Offense – Meeting with Lead Administrator, Parent, and Teacher
- 4<sup>th</sup> Offense – Possible Out of School Suspension and Parent Teacher Conference
- Additional offenses may result in further disciplinary action that could lead to suspension and/or expulsion

## **Behavior Interventions**

Disciplinary action is directed by the Lead Administrator/Principal. A measure or combination of measures that may be used at his/her discretion include: Conferences, restorative measures, loss of privileges, parent conferences, and suspension as a last resort.

The following measures may be applied by the classroom teacher:

- *Safe Place:* When a student is struggling to maintain focus or composure in the classroom, the teacher may request he/she have a few minutes to wind down in a designated 'Safe Place' in the classroom. The goal is for students to recognize when they are becoming upset and relocate themselves to this area briefly in order to recover and return to their previous activity in the classroom.
- *Bounce:* Sometimes students may need to be temporarily placed in another classroom to reflect on how his/her behavior is negatively impacting the classroom. During this time, the student will complete a reflection sheet and any classwork he/she would complete in class.
- *Referral to the guidance counselor:* Should a student begin to demonstrate a pattern of inappropriate behavior, the teacher may make a referral to the guidance counselor for individualized support to address the behavior and to teach appropriate replacement behaviors.

## **Short-Term Suspension**

A short-term suspension is the disciplinary exclusion of a student from attending his or her assigned school for up to 10 school days. A short-term suspension does not include (1) the removal of a student from class by the classroom teacher, the principal, or other authorized school personnel for the remainder of the subject period or for less than one-half of the school day, (2) the changing of a student's location to another room or place on the school premises, or (3) a student's absence under G.S. 130A-440 (for failure to submit a school health assessment form within 30 days of entering school). A student who is placed on a short-term suspension will not be permitted on school property or to take part in any school function during the period of suspension without prior approval from the principal.

The principal or designee has the authority to determine when a short-term suspension is an appropriate consequence and to impose the suspension, so long as all relevant board policies are followed.

In accordance with G.S. 115C-390.6(e) and 115C-45(c)(1), a student is not entitled to appeal the principal's decision to impose a short-term suspension to either the board unless it is appealable on some other basis.

### **1. Pre-Suspension Rights of the Student**

Except in the circumstances described below, a student will be provided with an opportunity for an informal hearing with the principal or designee before a short-term suspension is imposed. The principal or designee may hold the hearing immediately after giving the student oral or written notice of the charges against him or her. At the informal hearing, the student has the right to be present, to be informed of the charges and the basis for the accusations against him or her, and to make statements in defense or mitigation of the charges.

The principal or designee may impose a short-term suspension without first providing the student with an opportunity for a hearing if the presence of the student (1) creates a direct and immediate threat to the safety of other students or staff or (2) substantially disrupts or interferes with the education of other students or the maintenance of discipline at the school. In such cases, the principal or designee will give the student notice of the charges and an opportunity for an informal hearing as soon as practicable.

### **2. Student Rights During the Suspension**

A student under a short-term suspension will be provided with the following:

- a. the opportunity to take textbooks home for the duration of the suspension;
- b. upon request, the right to receive all missed assignments and, to the extent practicable, the materials distributed to students in connection with such assignments; and
- c. the opportunity to take any quarterly, semester, or grading period examinations missed during the suspension period.

### **3. Notice to Parents or Guardian**

When imposing a short-term suspension, the principal or designee will provide the student's parent or guardian with notice that includes the reason

for the suspension and a description of the student conduct upon which the suspension is based. The principal or designee will give this notice by the end of the workday during which the suspension is imposed when reasonably possible, but in no event more than two days after the suspension is imposed.

The initial notice may be by telephone, but it must be followed by timely written notice. The written notice must include all of the information listed above and may be sent by fax, email or any other method reasonably designed to give actual notice. School officials will also maintain a copy of the written notice in the student's educational record.

Multiple short-term suspensions for a student with disabilities will be addressed in accordance with the *Policies Governing Services for Children with Disabilities* and other applicable state and federal law.

### **Long-Term Suspension**

Long-term suspension is the disciplinary exclusion of a student from attending his or her assigned school for more than 10 school days. Disciplinary reassignment of a student to a full-time educational program that meets the academic requirements of the standard course of study established by the State Board of Education and that provides the student with the opportunity to make timely progress toward graduation and grade promotion is not a long-term suspension requiring the due process procedures in this policy, nor is an absence under G.S. 130A-440 (for failure to submit a school health assessment within 30 days of entering school).

The principal may impose a long-term suspension on a student who willfully engages in serious violation of the Code of Student Conduct if the violation either (1) threatens the safety of students, staff, or school visitors, or (2) threatens to substantially disrupt the educational environment. The principal may impose a long-term suspension for minor violation if aggravating circumstances justify treating the student's behavior as a serious violation.

If the offense leading to the long-term suspension occurred before the final quarter of the school year, the exclusion will be no longer than the remainder of the school year in which the offense was committed. If the offense leading to the long-term suspension occurred during the final quarter of the school year, the exclusion may include a period up to the remainder of the school year in which the offense was committed and the first semester of the following year.

## **Expulsion**

An expulsion is the indefinite exclusion of a student from school enrollment for disciplinary purposes. Upon the recommendation of the principal, the board may expel a student who is 14 years of age or older for certain types of misbehavior including use of drugs and alcohol, theft, trespass and damage to property, assaults, threats, and harassment, and weapons, bomb threats, terrorist threats, and clear threats to safety if the student's continued presence in the school constitutes a clear threat to the safety of other students or employees. Additionally, a student who is subject to policy related to student sex offenders may be expelled if the student's continued presence in school constitutes a clear threat to the safety of other students or employees. During the expulsion, the student is not entitled to be present on educational property and is not considered a student of Hobgood Charter School.

## **Determination of Appropriate Consequence**

### **1. Principal's Recommendation**

The principal may impose a short-term suspension or any other consequence in the school's Code of Student Conduct. If the principal determines a suspension of more than 10 days (either long-term or 365-day) or an expulsion is an appropriate consequence, the principal will propose the disciplinary penalty based upon a review of the student's culpability and dangerousness and the harm caused by the student, plus any other mitigating or aggravating factors the principal finds relevant.

- a. Culpability of Student – In assessing the culpability of the student for his or her behavior, the principal may consider criteria such as:
  - the student's age;
  - the student's ability to form the intent to cause harm that occurred or could have occurred; and
  - evidence of the student's intent when engaging in the conduct.
- b. Dangerousness of the Student – In assessing the dangerousness of the student, the principal may consider criteria such as:
  - the student's disciplinary or criminal record related to anti-social behavior or drugs and alcohol;

- whether a weapon was involved in the incident and if a weapon was involved, whether the student had the ability to inflict serious injury or death with the weapon;
- evidence of the student's ability to cause the harm that was intended or that occurred; and
- whether the student is subject to policy related to Student Sex Offenders.

- c. Harm Caused by the Student – In assessing the severity of the harm caused by the student, the principal may consider criteria such as whether any of the following occurred:
- someone was physically injured or killed;
  - someone was directly threatened or property was extorted through the use of a weapon;
  - someone was directly harmed, either emotionally or psychologically;
  - educational property or others' personal property was damaged; or
  - students, school employees, or parents were aware of the presence of a weapon or of dangerous behavior on the part of the perpetrator.
- After considering the above factors the principal will make a recommendation to the board, stating the nature of the offense, the substance of the evidence involved and the length of suspension recommended. The principal must also consider and make a recommendation as to whether any alternative education services, counseling or other programs should be part of the consequence for violating the Code of Student Conduct, school standards, or school rules.

If the principal recommends expulsion, he or she will identify the basis for determining that there is clear and convincing evidence that the student's continued presence in school constitutes a clear threat to the safety of other students or employees.

After considering the above factors, the principal will make a recommendation to the board stating the nature of the offense and the substance of the evidence involved. If the principal recommends an expulsion, he or she will identify the basis for determining that there is clear and convincing evidence that the student's presence in school constitutes a clear threat to the safety of other students or employees.

## 2. Notice to the Student's Parent

The principal will provide to the student's parent written notice of the recommendation for long-term suspension or expulsion by the end of the workday during which the long-term suspension or expulsion is recommended when reasonably possible or as soon thereafter as practicable. The notice will be delivered by hand or postal mail. If the notice is mailed, the principal must verify that the parent received the notice. Certified mail may be used to verify the date of delivery. The notice must be written in plain English, and when appropriate language resources are readily available, also in the parent's native language. The notice will contain the following elements:

- a. the notice type, i.e., notice of long-term suspension or expulsion
- b. dates for which the suspension is proposed, if applicable;
- c. a description of the incident and the student's conduct that led to the recommendation;
- d. the specific provision(s) of the Code of Student Conduct that the student allegedly violated;
- e. the specific process by which the parent may request a hearing to contest the decision and the deadline for making the request;
- f. the process by which the hearing will be held, including all due process rights to be accorded the student during the hearing;
- g. notice of the right to retain an attorney to represent the student in the hearing process;
- h. notice that an advocate, instead of an attorney, may accompany the student to assist in the presentation of the appeal;
- i. notice of the right to review and obtain copies of the student's educational records prior to the hearing;
- j. a reference to the policy on Student Discipline Records, regarding the expungement of disciplinary records; and
- k. the identity and phone number of a school employee whom the parent may call to obtain assistance in receiving a Spanish translation of the English language information included in the document.

## 3. Board Decision – Long-Term Suspension

The student or student's parent may appeal an imposed long-term suspension. The student or parent must appeal to the board in writing within

10 school days of receiving the principal's decision. The principal will inform the board chairperson of the request for an appeal and will arrange in a timely manner a hearing before the board within seven school days of the request, if reasonably possible. The suspension need not be postponed pending the outcome of the appeal. The board will make reasonable effort to provide to the student and parent and to the principal written notice of its decision within five school days of hearing the appeal, but in any event not more than 30 calendar days after receiving the request for appeal.

#### 4. Board Decision – Expulsions

The student or parent may request a hearing within 10 school days of receiving notice of the principal's recommendation that the student be expelled. The hearing will be scheduled with the board within seven school days of the principal's receipt of the hearing request, if reasonably possible. The principal will notify the student and parent of the date, time and place of the hearing. Any appeal of a long-term suspension will be addressed in the same hearing.

If a hearing is not requested by the student or parent, the principal will submit written evidence to support his or her recommendation to the board. The board may elect to request a hearing or to request additional records or documents.

When the board decides to expel a student, the board will document the basis for its determination that there is clear and convincing evidence that the student's behavior indicates that the student's continued presence in school constitutes a clear threat to the safety of other students or employees. The board also will consider and make a written determination of whether alternative education services are to be provided to the expelled student. Regardless of whether the school provides alternative education services, the board expects the school principal to work with other agencies to help the student and parent identify other types of services that may be of assistance to the student. The board will send via certified mail to the student's parent a copy of the decision, notification of what information will be included in the student's official record, the procedure for expungement of this information under G.S. 115C-402, and notice of the right to petition for readmission pursuant to G.S. 115C-390.12.

Students with disabilities recognized by the Individuals with Disabilities Act will receive educational services during periods of suspension or expulsion to the extent required by *Policies Governing Services for Children with Disabilities* and state and federal law.

### **Alcohol, Tobacco, Vaping, and Drug Usage**

A healthy learning environment is free of alcohol, tobacco, vapes and drugs. The possession, distribution, or sale of these substances or paraphernalia in any form is prohibited on school property. Any student found in possession of these substances will receive, at minimum, a 3-day suspension and up to recommendation for expulsion.

### **Bullying Prevention and Education**

We support a secure school climate, conducive to teaching and learning that is free from threats, harassment, and any type of bullying behavior. We promote consistency of approach and work diligently to create a climate in which all types of bullying are regarded as unacceptable. Hobgood Charter School's policy against bullying or harassing behavior, including cyber bullying, is provided to staff, students, and parents as defined in G.S. 115C-390.1(b)(8). The school is committed to providing an environment in which its employees, volunteers, and students are treated with courtesy, respect, and dignity and are free of harassment, whether sexual, threatening, or discriminatory in nature.

It is illegal and against school policy for anyone to make unwelcome sexual advances, request for sexual favors, and other verbal, written, teasing, jokes, or physical conduct of a sexual nature; to use foul or offensive language; or to create an intimidating, hostile, or offensive environment through physical or verbal conduct relative to gender, religion, age, national origin, or disability.

### **Bullying and Harassment**

Hobgood Charter School follows the North Carolina law regarding bullying and harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic, or verbal communications, or any physical act or any threatening communication that takes place on school property, at any school-sponsored function, or on a school bus, and that:

1. Places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property; or
2. Creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities, or benefits. For purposes of this section, "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

Bullying or harassing behavior includes, but is not limited to, acts reasonably perceived as being motivated by any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation, or mental, physical, developmental, or sensory disability, or by association with a person who has or is perceived to have one or more of these characteristics.

Discrimination, harassment, and bullying are prohibited at the School and during school-related activities between students, employees, school agents, volunteers, visitors and any other person associated with or under the control of the Hobgood Charter School. Procedures established by the school for reporting suspected discrimination, harassment or bullying shall be followed in any instances involving such conduct.

HCS prohibits reprisal or retaliation against any person who reports an act of discrimination, harassment, or bullying. This policy, however, shall not be used to bring frivolous or malicious complaints. Any HCS employee who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior shall report the incident to the appropriate school official. A student or volunteer who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior should report the incident to the appropriate school official. The Lead Administrator is authorized and expected to establish training and administrative procedures to help eliminate discrimination, harassment, and bullying and to foster an environment of understanding and respect for all individuals.

*Procedures for Handling Discrimination, Harassment, and Bullying*

1. Any student or staff member who believes s/he is the victim of harassment, bullying, and/or discrimination should immediately inform a trusted teacher or school official. Students are also encouraged to inform their parents or guardians.
2. When anyone reports harassment, bullying, and/or discrimination to a school employee, that employee shall notify the Lead Administrator or designee as soon as possible and within 24 hours.
3. If the Lead Administrator is involved in the allegation, then the school employee will immediately inform the Board Chairperson who will conduct the investigation, working in concert with the School's Board of Directors. In all other cases, the Lead Administrator will be immediately informed and will conduct an investigation or appoint a designee to conduct the investigation.
4. In conducting an investigation, a group may be convened to include some of all of the following: the student's homeroom teacher, other teachers or administrators, the school counselor, and any other appropriate personnel. Interviews will be conducted as appropriate. At all times during the investigation, confidentiality will be balanced with the need to gather facts.
5. The Lead Administrator, Board Chair or designated investigator will communicate, as appropriate, with the complainant or complainant's parents or guardians. A confidential report will be prepared and filed. Based upon the outcome of the investigation, appropriate disciplinary action will be taken.

## Cheating and Plagiarism

Cheating and plagiarism, including giving or receiving any unauthorized assistance on academic work or copying and representing another's work as one's own, is prohibited. Students determined to be cheating/plagiarizing will receive a "0" for the work and the teacher will contact the parents regarding the conduct.

## Dress Code

School-wide standards on student attire are intended to reduce discipline problems and improve school order. The Board has approved the following dress code for all HCS students:

- Suggestive or provocative clothing shall not be worn.
- Graphic language or suggestive, provocative messages or art are not allowed on any clothing.
- Pants, shorts, or skirts worn below the beltline are not allowed.
- Undergarments and underwear are not to be exposed including sagging jeans or exposing tops.
- Leggings may be worn **only** when paired with a shirt, tunic, dress, or sweatshirt that extends below the hips and fully covers the buttocks while standing and during normal movement.
- All shorts, skirts, and dresses must come to at least the tip of the student's fingertips.
- No cut-off shirts or half-shirts are allowed. Shirts must come to and cover the full torso **at all times**.
- Sunglasses and hoods from coats or hoodies are to be removed **upon entering the building**. Removal of hats upon entering the building is recommended.
- Hats may be worn in classrooms at the discretion of the classroom teacher's policy. Administration will support the classroom teacher's decision on this matter.
- Tube or halter-tops may not be worn under any circumstances. Spaghetti straps must be covered by a sweater/cardigan or shirt at all times.
- See-through shirts are **not** permitted.

- **Pajama/lounge pants are not allowed** to be worn during the school day unless it is a school-designated spirit day for this attire. This does not include athletic apparel.
- Some type of footwear must be worn at all times. No spike heels or bedroom shoes will be allowed.
- Students are encouraged to wear HCS shirts, especially on Friday to show school spirit.
- Throughout the year, HCS will have special attire days such as field trips whereby everyone may wear outfits appropriate to the occasion.

The Dress Code will be enforced and non-compliance will result in a parent/guardian contact, and the student will be excluded from school/school activities until acceptable clothing is provided. Any student deemed in violation of the dress code shall be required to change into appropriate clothing or make arrangements to have appropriate clothing brought to school immediately. The student will be required to wait in the ISS room if clothing is being brought to them.

If compliance of the Dress Code continues to be a problem, the student may be subject to other disciplinary action as outlined in the school discipline policy.

Note: The Lead Administrator/Principal shall exempt a student from complying with this policy when compliance would impose a substantial burden on a medical condition or the exercise of a sincerely held religious belief. A parent, guardian, or person in loco parentis of a student shall submit to the Lead Administrator/Principal in a written statement explaining the medical condition or religious belief and how it is affected by the school Dress Code policy.

## **Cellular Phones and other Wireless Communication Devices Policy**

### **Section 1. Overview**

North Carolina recently joined more than 20 other states and the District of Columbia by passing a law that restricts the use of cellular phones and other wireless communication devices during the instructional time. The law and this policy recognize that such devices can disrupt the learning environment and should therefore only be permitted by students in limited and clearly defined circumstances.

*A Wireless Communication Device is a wireless, portable device that can provide voice, messaging, or other data communication between two or more parties. The following is a non-exhaustive list of wireless communication devices prohibited by this policy: cellular phones, laptops, gaming devices, smart watches, and any personal technology device.*

### **Section 2. Exceptions**

Wireless Communication Devices are not allowed during instructional time except for the following situations:

- 1) When expressly authorized by a teacher for educational purposes.
  - a. A teacher must clearly state the intended educational purpose to students and shall have documentation available to support the use (e.g., lesson plans detailing why devices would be needed).
  - b. The teacher shall only allow devices for the duration and purpose allowed.
- 2) When expressly authorized for a teacher for use in an emergency.
- 3) When required by the student's individualized education program or Section 504 plan;
- 4) As required to manage a student's health care, in accordance with a documented medical condition.

- a. Students who need wireless communication devices to manage health care must request access from the school and as part of that request, must provide documentation from a licensed medical professional outlining the necessity of access to the device.
- b. If approved by administration, students with documented medical conditions shall be granted permission to use the wireless communication device only as necessary for their condition.
- c. The school shall make accommodations as needed to ensure the student has access to their device but without compromising the educational environment.

### Section 3. Procedures

Grades K-5 Students in grades K-5 are discouraged from bringing any wireless communication device to school, as such devices often lead to unnecessary classroom disruption. If students do bring such devices, however, school policy requires that they are not used during instructional time, except as allowed under the exceptions in Section 2. Any device on a person during instructional time must be turned off and put away. Having the device on airplane mode or silent mode is not sufficient and could subject the student to disciplinary measures.

Grades 6-8 If a student brings a wireless communication device to school, they must check in their device(s) with the teacher **before** class begins in the designated secure box. The device must be powered off prior to being placed in the secure box. Simply turning the device on silent or airplane mode is not sufficient. The teacher shall keep the devices in the secured and designated area and shall not use or attempt to use the student's phone except in case of an emergency. The teacher shall return the device to the appropriate student at the end of the school day.

Grades 9-12 If a student brings a wireless communication device to school, they must check in their device(s) with the teacher before class begins. Simply having the device turned on silent or airplane mode is not sufficient. The teacher shall keep the devices in a secured and designated area and

shall not use or attempt to use a student's phone except in case of an emergency. The teacher shall return any device to the appropriate student at the end of the class period.

Any student found to have a wireless communication device on their person during instructional time, notwithstanding the exceptions allowed under Section 2 of this policy, shall be subject to discipline according to the Code of Conduct.

#### Consequences of Violation of the Wireless Device Policy:

1. AirPods should not be seen or used while in class. If a teacher sees that a student has AirPods in use without permission, the student will be required to turn in the AirPods to administration.
2. Personal wireless devices including smart watches, iPads, tablets, etc. should not be used to text or conduct internet searches during school hours except under the explicit instruction of a teacher. If a student is found doing so, he/she will be required to turn the device into administration. Parents will be notified and required to come to school to obtain the device.
3. Any school personnel that observes a student using a cell phone or other electronic device during an unauthorized time or in an inappropriate manner will immediately notify administration who will confiscate the device and follow these discipline guidelines:
  - 1st Offense: Device(s) are confiscated by an administrator. Parents will be required to retrieve cell phone/device from the administrator.
  - 2nd Offense: The device will be confiscated by school administration and the parent/guardian will be required to retrieve the device from the administrator. The student will be assigned a day of ISS. The student will be required to turn in wireless devices to the office for the remainder of the year.
  - Additional offenses will result in additional consequences which may include suspension.

All incoming calls should be directed to the main campus phone number at (252)242-1880. **Personal and social calls by students or from parents to students are not allowed during school hours.** Permission to use a phone

must be obtained by the student from a teacher, office staff, or administrator.

### **Internet Usage Rules for Students**

- No gaming websites are allowed.
- Educational game sites will be given by the instructor only.
- Each class will have their own grade-specific sites.
- Students are not allowed to check or use Facebook, personal email accounts, Pinterest, personal blogs, or social media sites while on campus during school hours.
- No sports websites or videos should be viewed unless prior permission is granted and the site is related to a specific project.
- No sites that contain adult content, violence, blood & gore, alcohol & drugs, or gang activity should be viewed.
- Students are not to use the Internet in a way that would violate the Student Technology Agreement or the Social Media Policy.

#### **Be Polite and Show Respect:**

When using the computer to write, send, or to receive messages or information, always use kind and proper language and abide by the rules of friendliness. Treat others and equipment with respect. You may be alone in your use of the computer, but others using electronic machines, with or without your knowledge, may view what you scribe or receive. Parents or legal guardians may obtain access to their student's email upon request. You must not vandalize or abuse the equipment. Show respect for property, others, and self. The computer and electronic resources belong to the school.

#### **Be Honest and Obey the Rules:**

Do not do things on the computer that would be against the rules, the law, or may be looked upon as dishonest. This includes visiting inappropriate websites. Use the computer and the Internet for appropriate educational purposes only.

**Keep Personal Things Private:**

It is advised that students not tell or show others any personal or family information over the Internet such as home address, phone numbers, passwords, personal photos when used with names, or Social Security numbers. Do not log on or use another person's account. Keep personal and electronic information private.

**School Telephones**

Each classroom is equipped with a telephone that is utilized by the school for communication and emergency purposes. Students may be given permission upon request to utilize the classroom and office phone for urgent matters. Forgetting homework, permission slips, etc. is not considered an urgent matter. Should a personal emergency arise, parents and guardians should contact the school's main office at (252)242-1880. Office personnel will notify the teacher and/or student of the circumstance and have the student return the phone call. Do not contact your child during school hours via their personal cell phone as this violates school rules related to use of wireless devices by students and may lead to disciplinary action.

All incoming calls for teachers during instructional hours will be transferred to the teacher's voicemail. Office staff will not interrupt instruction for calls during instructional time. Teachers can also be contacted via email or through communication platforms such as SeeSaw, Remind, or GroupMe. Your child's teacher will notify you as to which platform he/she utilizes.

**Playground Behavior**

Teachers and teacher assistants will supervise playground activities. Playground behavior expectations mirror classroom expectations. Students will be expected to play in an appropriate and safe manner. In the event of inclement weather, students will have indoor recess supervised by staff

members. K-8 students will have recess daily. Staff members will take a radio out with them to the playground for communication and emergency purposes.

### **Property Damage**

Students are expected to respect school property. Intentionally damaging or attempting to damage or deface the school (on campus and buses) or other personal property is subject to disciplinary action. Students not adhering to this Code of Student Conduct may be referred to law enforcement authorities. Any proven incidents may result in student suspension and/or expulsion from HCS.

### **Weapons in School**

Students are not permitted to possess, handle, or transmit any weapon, facsimile of a weapon, danger instrument/substance, or other object that can reasonably be considered or used as a weapon or dangerous instrument/substance. Students not adhering to this Code of Student Conduct may be referred to law enforcement. Any proven incidents of possession will result in suspension and/or expulsion from HCS.

## **SCHOOL EMERGENCY PROCEDURES**

### **School Closing Outside School Hours**

During extremely bad weather, it sometimes becomes necessary for a decision to be made concerning the closing of school. When a decision is made in the early morning that school will close for the day, it must be relayed quickly to all students and parents. In order to accomplish this task efficiently and with maximum coverage, school officials will follow the protocol below:

1. The ONE CALL system will notify all staff and families of a closing or delay. This will show up on caller ID as 1-877-698-3261. Please answer these calls.

2. A decision to cancel school or delay school will be announced by 7:00 a.m.
3. School officials will relay information to WRAL and WNCT for broadcasting.
4. School officials will post information on the school's website ([www.hobgoodcharterschool.org](http://www.hobgoodcharterschool.org)) and the Hobgood Charter School Facebook page.
5. No announcement means that the school will operate on normal hours.

## **Emergencies that Occur During School Hours**

***Emergency Messages to Students:*** Only emergency telephone messages will be delivered to students. Please make after school arrangements for your student(s) before school begins. **If schedules do need to be rearranged, please call the office before 1:30pm to allow enough time to notify students.**

***Fire Drills & Lock-Down Drills:*** There will be a fire drill during the first ten (10) days of school and then at least once per month for the remainder of the school year. The teachers and students will follow the exit plan posted on the class door and the procedures in the Crisis Plan.

There will be a Lockdown Drill at least once per year. The teachers and students will follow procedures in the school's Crisis Plan.

***Unscheduled Early Release:*** Hobgood Charter School is responsible for making its own decisions with regard to any weather-related early release as well as delayed start, cancellation, or opening. Should an emergency situation arise that results in an early release, the following protocol will occur:

1. The ONE CALL system will notify all staff and families of an emergency early release day. This will show up on caller ID as 1-877-698-3261. Please answer these calls.

2. School officials will post information on the school's website ([www.hobgoodcharterschool.org](http://www.hobgoodcharterschool.org)) and the Hobgood Charter School Facebook page.

Students remaining at school awaiting pickup will be held in the cafeteria.

### **Tornado Procedures**

- Tornado Watch: Conditions are favorable for a tornado to occur.
- Tornado Warning: A tornado has been spotted in the area. A warning is more severe than a watch.

In the event of a tornado watch, staff will monitor the weather conditions and follow the procedures below should tornadic weather be imminent.

In the event of a tornado warning, all students will be taken to their assigned safe zone. The teachers and students will remain in this safe zone until the warning has ended following the procedures in the school's Crisis Plan.

### **Student Security**

Students in grades K-2 must have an adult with them at all times on the campus. They may not be sent to the office with another child, only with an adult (teacher or teacher assistant). If a student is needed in the office, an adult must accompany them. If it is an early dismissal, the main office will call the teacher to have the student at the door for the parent to pick up.

Students in grades 3-12 must have a hall pass when walking around campus or going to the office. They may walk alone.

### **FERPA**

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S.

Department of Education. By law, schools can release information to governing agencies regarding name and address. If you do not wish for your child's name to appear in any publication by Hobgood Charter School, please write for a waiver to the Lead Administrator.

For additional information on privacy rights, please call (202) 260-3887 or contact the US Department of Education, Family Policy Compliance Office, U. S. Department of Education, 400 Maryland Avenue, SW, Washington D.C. 20202-5920.

### **Maintenance and Review of Student Records**

Student records will be maintained in a secure, central location. An inspection log will be placed in every student record folder for the purpose of recording the names of all individuals reviewing the folder as well as the reason for the review. A parent or guardian shall be allowed access to all records of his/her child upon proper request. A formal review of a student's complete record shall be conducted only in the presence of, or by, the Lead Administrator.

### **Request for Copy of Records**

If a parent or guardian needs to request a copy of their student's records, they must submit an official written request to the front office. The front office will process the request. If the request is allowable, the front office will make the appropriate copies available to the parent or guardian within 5-7 business days.

### **Personal Information**

Please notify the school concerning changes in addresses, phone numbers, and any other pertinent information. Information will remain confidential. It is important that our office be notified of any visitation restrictions which limit contact with non-custodial parents of family members. Please

understand that for the school to forbid contact or information for a non-custodial parent, there must be legal documentation on file.

## **MEDICAL INFORMATION**

### **Administering Medicine to Students**

Students may receive medication at school when the medication is deemed medically necessary for health or learning and must be taken during the school day. All medication, including over-the-counter, must be prescribed by a licensed medical practitioner with prescribing authority. It is the responsibility of the parent/guardian to complete appropriate medical paperwork and provide it to the school with information regarding the student's medical needs.

School staff may administer medication to students only when the Parent and Physician Order for Medication Form, available on the HCS website and in the front office, is completed by the **parent, physician and present at the school**. No medication will be given by a school official unless it is in a container dispensed by a pharmacy with the student's name, name of medication, date prescription was filled, and directions clearly marked. A new medication form must be completed *and* signed by a physician if there are changes in medication directions. Parents or guardians are responsible for monitoring medication expiration dates and replacing medication when expired.

In the event of an emergency, if there isn't medication on hand, the school will call 911.

At the beginning of each school year, a parent/guardian will need to bring the medicine in the original prescription container clearly labeled along with the completed Parent and Physician Order for Medication Form to the front office at school. The school **cannot** give medicine to your child without this form. Medicine will be stored in the business office with students being required to come to the office to receive their dose. Only FDA approved pharmaceuticals manufactured in the US will be administered on campus.

Sunscreen, insect repellent, cough drops, and other over-the-counter medications must also be accompanied by the completed Parent and Physician Order for Medication Form that has been signed by a licensed physician and filled by a prescription. These products should be in the original container and labeled with a pharmacy label as a prescription medication. Lip balm does not require a medication form and is for self-use and self-carry.

State law allows students who have met certain conditions to carry and self-administer emergency medication during the school day and at all school-sponsored after-school events, including transportation to and from the event, for asthma and severe, life-threatening allergies (anaphylaxis). Medication includes asthma inhalers and injectable epinephrine. The parent or guardian must provide the school with a completed Parent and Physician Order for Medication Form signed by a licensed physician certifying the student has been trained to self-administer. HCS has the right to deem a student unable to self-carry even if approved by a licensed physician.

All unused, discontinued, or expired medication must be picked up in the front office by the end of the school year. Any medications not collected by that time will be properly disposed of.

Medication administration information may not apply to all field trips.

### **Allergies and Asthma**

Parents who have students with severe allergies should conference with the Lead Administrator/Principal and teacher(s) so that a health care plan can be developed.

Students with severe asthma should get appropriate medical provider permission and documentation and the Lead Administrator's permission to self-carry.

### **Communicable/Infections Disease**

Admission to school may be denied to any child diagnosed as having a disease whereby attendance could be harmful to the welfare of other

students. The Board of Directors recognizes that communicable diseases that may afflict students range from common childhood diseases, acute and short-term in nature, to chronic, life-threatening diseases such as human immunodeficiency virus (HIV) infection. Students who complain of illness at school may be referred to the school office and may be sent home by the Lead Administrator as soon as the parent/guardian or person designated on the student's emergency medical authorization form has been notified.

### **Meningitis, Influenza, and HPV (Garrett's Law)**

(Taken from NC Public School Health website)

Meningitis is a contagious respiratory disease caused by bacteria and is spread through air droplets and direct contact with infected persons. It can be spread through coughing, sneezing, kissing, or sharing items like drinking glasses, lip balm, eating utensils, or cigarettes. Adolescents and young adults are at increased risk of contracting this disease. Invasive meningococcal disease occurs in three common forms: meningitis, blood infection and pneumonia; other forms account for a small percentage of cases.

Meningococcal vaccines protect against most types of meningococcal disease, although they do not prevent all cases. There are two kinds of vaccines that protect against meningitis available in the US: meningococcal polysaccharide vaccine and meningococcal conjugate vaccine.

Influenza (the flu) is a contagious respiratory illness caused by the influenza viruses. It can cause mild to severe illness, and at times can lead to death.

There are two types of vaccines:

1. The "flu shot" is an inactivated vaccine (containing killed virus) that is given with a needle, usually in the arm. The flu shot is approved for use in people older than 6 months, including healthy people and people with chronic medical conditions.
2. The nasal spray flu vaccine is a vaccine made with live, weakened flu viruses that do not cause the flu (sometimes called LAIV for "live attenuated influenza vaccine" or FluMist). LAIV(FluMist) is approved for use in healthy people 2 to 49 years of age who are not pregnant.

The viruses in the vaccine change each year based on the international surveillance and scientists' estimations about which types and strains of viruses will circulate in a given year.

Human Papillomavirus (HPV) is a very common virus that is usually spread through sexual contact. Most of the time HPV has no symptoms so people do not know they have it. There are more than 150 related viruses in the group HPV, and approximately 40 types of genital HPV. Some types can cause cervical cancer in women and can also cause other kinds of cancer in both men and women. Other types can cause genital warts in both males and females.

The HPV vaccine works by preventing the most common types of HPV that cause cervical cancer and genital warts. It is given in a two-dose or three-dose schedule depending on age.

For more information on these diseases, see

<http://www.immunize.nc.gov/schools/resourcesforschools.htm>

### **Emergency Medical Situation**

If a child is injured or becomes ill after arriving at school, the parent will be contacted by phone. The Emergency Information Sheet requires home, office, and emergency phone numbers. It is the parent's responsibility to update the family's emergency contact numbers. If we cannot reach a parent, the emergency contact will be contacted. If a child needs immediate medical attention, the teacher will immediately call the front office and the administrator or designee will call 911. Once 911 is called, the parent or the child's physician will be contacted by phone. If we cannot reach the parent, the emergency contact name listed will be contacted.

### **Illness at School**

Please do not send ill or feverish children to school. Children should be fever and fever-reducing medicine-free for 24 hours before returning to school. If a student is contagious (pink eye, strep throat, chicken pox, etc.), school policy does not allow school attendance. Students who have

temperatures of 100 degrees or more or who are throwing up will be sent home.

### **Immunizations**

Please update student immunization records when new shots are given. If the student has serious health concerns, please contact the school office immediately. Students not providing proof of immunizations or exemption paperwork by the 30<sup>th</sup> calendar day of the school year will be excluded from school until such documentation is provided.

### **Preventing the Spread of Disease**

Students will be monitored for any of these symptoms of illness:

- Severe cough and the child gets red or blue in the face, child makes high-pitched coughs or whooping sound cough with difficulty breathing
- Yellowish skin or eyes
- Pink eye, tears, redness of eyelid lining, irritation, following by swelling and discharge of pus
- Unusual spots or rashes
- Infected skin patch, crusty, bright yellow, dry or gummy areas of skin
- Feverish appearance
- Unusual behavior, child is cranky or less active than usual or cries more than usual
- Frequent scratching of the body or scalp

If a student has any of these symptoms, the student will be removed from the other students and taken to the office. If a teacher feels a student may have a fever, the student will be taken to the office to have his/her temperature taken. If a temperature is 100 degrees or higher, the parent will be contacted for student pickup.

## PARENT COMPLAINT PROCEDURES

It is the goal of Hobgood Charter School to provide an appropriate, balanced administrative channel to allow parents to express complaints to and appeal decisions of the HCS administration or staff. The primary objective of the complaint process is to ensure that the well-being of each child and the academic integrity of HCS are upheld. The complaint procedures are intended to enhance timely fact-finding, hearing and decision-making in the event of a complaint. These procedures will comply with any existing state and local laws in the State of North Carolina that deal with grievances, complaints, disputes, and conflict resolution. For the purposes of these procedures, a grievance is broadly described as the following:

*A formal or informal expression of dissatisfaction about some aspects of HCS staff decisions or actions, or administrative or academic program as implemented that is brought to the attention of the Lead Administrator or the HCS Board of Directors.*

In the interest of maintaining positive interactions and relationships, anyone with a concern or complaint should make all efforts to resolve an issue at the level at which it occurred. Listed below is the chain of command that should be followed when a concern arises:

- First Contact: Teacher
- Second Contact: Lead Administrator

In the event a parent feels the need to submit a *formal grievance* to the Lead Administrator or the Board of Directors, in compliance with the board policy on **Grievance for Families**, the grievance must be filed in writing within ten (10) business days of the originating circumstances to the Lead Administrator and include the name of the school employee or other individual whose action is at issue; the specific decision(s) or action(s) at issue; any board policy, state or federal law or regulation, or procedure that the parent or guardian or student believes has been misapplied, misinterpreted or violated; and the specific resolution desired. If the grievance is with the Lead Administrator, the grievance must be filed in writing within ten (10) business days to any member of the board.

## **SCHOOL RESOURCES AND INTELLECTUAL PROPERTY**

A safe and orderly environment is critical whenever transporting students. All students who ride the bus are expected to adhere to all bus rules and regulations. Failure to do so will result in a written bus disciplinary referral. Any student who fails to meet behavior expectations or demonstrates behavior which puts the safety of other bus riders in jeopardy will be disciplined accordingly, up to and including removal from the bus. **Once a student receives three (3) disciplinary referrals, they will be removed from the bus for the duration of the semester.** The Code of Student Conduct and board policies on student behavior apply while students are utilizing HCS bus transportation services. All students will receive training on school bus safety as required by law during the first week of school.

#### **Bus Transportation Expectations:**

- Arrive at the bus stop 5-10 minutes prior to pick up time.
- Buses will only stop at designated bus stops.
- Buses cannot stop in other places to pick up or drop off students because other locations may not be safe and secure for loading and unloading students.

- The bus will leave promptly and will not wait for late students.
- Follow the directions of the bus driver and bus rules at all times.
  - Students are to remain seated in their assigned seat at all times facing forward. If there is an issue with the assigned seat, the student should address the driver while the bus is not in motion.
  - Eating and drinking (with the exception of water) are not allowed on the bus.
  - Respect fellow bus riders
  - Talk quietly and use appropriate language
  - Keep hands and feet out of the aisles
  - Keep all body parts and belongings inside the windows
  - Students should refrain from disruptive behaviors that would cause distraction for the driver (yelling, playing music, moving seats, roughhousing).
  - Keep the bus clean
  - Students in possession of a cell phone are prohibited from taking pictures or videos while riding the bus. Students reported for misuse of cell phones or other electronic devices while on the bus will be required to store devices with the bus driver while riding.

### **Bus Offenses:**

#### Level 1:

- Excessive noise or repeated screaming

- Littering
- Standing or moving seats repeatedly without permission

-Other behaviors determined by school administration that disrupt the normal operation of the bus

Level 2:

**Parent Conduct at Bus Stops:**

- Parents/guardians picking students up from the bus stop must display the student identification tag provided at Open House. Students will not be released to an individual who is not in possession of the student identification tag.
- All of the following conduct creates dangers situations for our students, so please:
  - Do NOT pull your car in front of the bus for any reason or honk at the bus to get it to stop
  - Do NOT try to go around the bus while students are still loading/unloading or while the bus is trying to leave
  - Do NOT get on the bus - Legally, only authorized school personnel may board the bus. If you need to discuss a matter with the driver,

contact Mr. Phillip Rountree, who serves as our Transportation Coordinator.

- In accordance with NC State Law:
  - Any Kindergarten student who rides the bus to/from school must be escorted to the pick-up stop and met at the drop-off staff by a responsible adult. Kindergarten students cannot be released off the bus unless a responsible adult is present to meet them.
  - All K-5 students having no adult to meet them at the stop will be brought back to the school and their parent/guardian contacted to pick them up from the school.
  - After the 20th school day, any student brought back to the school (3) times will be dismissed from riding the bus. Hobgood Charter School reserves the right to extend this requirement to any student which requires adult supervision at the afternoon drop off point.

Students and parents should understand that bus riding is a privilege under law and not a right. Student privileges may be suspended or revoked for a temporary period or permanently.

### **School Bus Parking**

Hobgood Charter School buses will enter from Commerce Street onto N Oak Street. Buses will turn left into the gravel lot beside the gymnasium.

Students will unload directly onto the gravel lot beside the gymnasium in the morning and load in the same area in the afternoon. Students will be supervised by school personnel during these transitions.

Buses will exit the gravel lot turning right onto S Oak Street. Buses will turn onto Commerce Street to continue the routes.

### **Carpool Drop-Off/Pickup**

Families dropping off and picking up students by care must follow all arrival and dismissal procedures in order to ensure efficiency and safety for all students, families, and staff. Students must be picked up and dropped off promptly based on school arrival/dismissal time. Families of students in

grades **K-12** who wish to carpool are advised to enter the carpool area from E 7<sup>th</sup> Street turning left onto S Beech Street, which is a one-way street on the portion directly in front of Hobgood Charter School's 100/200 Building. This portion of the street is owned by Hobgood Charter School, and individuals must abide by the guidelines set forth by Hobgood administration.

Drivers are to pull up to the colored cone area where school personnel will be waiting to unload or load students on the side of the street in which the student's classroom building is located. Students will be directed to their designated building to begin the school day. Drivers are to remain in the car line until released to exit down S Beech Street. ***NOTE: Students will be exiting on both sides of S. Beech Street. For the safety of all, drivers are not permitted to pull around other vehicles in the carpool line. Drivers who disregard this policy will be reported to local law enforcement and may have their on-campus privileges revoked.***

**Drivers may NOT park alongside streets and drop off students or walk up to pick up students to avoid the car line. This presents an unsafe situation for all.**

During afternoon pickup, students will remain with their teacher or designated staff member outside their assigned building until they are loaded into the designated vehicle by school personnel. **Drivers picking up students must have the appropriate car tag with the student's name on it in order for the child to be released to that individual.** *If no car tag is presented, the driver will be asked to park and go to the main office for verification to pick up the student(s). He/she should be prepared to present his/her license at that time.*

**\*\*It is important that if a transportation change (including the individual picking your child up) is necessary, you provide the information to the office in writing or by phone by 1:30pm. For a carpool change, please provide the name of the person who will be picking up your child and a description of the vehicle. This individual may be asked to show his/her driver's license if there are any questions. \*\***

## **Walkers**

Students who walk to and from school are to go directly home following dismissal. These students will dismiss from the car line area. Students who linger at school or stop to visit friends on the way home cause undue worry for parents and staff. Students who walk home must have a signed Student Walk Release form from their parent/guardian on file in the main office stating that they are permitted to walk home. Faculty/staff do not supervise walkers who must cross a street after leaving the school's campus.

## **Student Drivers**

Vehicles parked on school property and property under school control are under the jurisdiction of the school and may be searched at any time if reasonable suspicion exists to believe that the search will result in evidence that school rules or other laws have been violated. If a vehicle subject to search is locked, the owner/driver of the vehicle shall be asked to unlock the vehicle and consent to a search of the vehicle. If the owner/driver refuses to permit the vehicle to be searched, the school may contact the student's parents and law enforcement officials. A student or the owner/driver of the vehicle may be held responsible for and in possession of prohibited items found in a vehicle parked on school property or at a school-related event.

Any opportunity for students to drive and park on school grounds is a privilege, not a right. The school may patrol school parking lots at any time and may search a student's motor vehicle based on reasonable suspicion that such vehicle contains materials in violation of law or policy. Students are not permitted to drive or park on campus without the express permission of the Principal or designee. Student drivers will be required to register their vehicle in the main office at Open House or the first day of driving to school. Students will be required to park at the HCS student parking area.

Students are expected to proceed onto school property at minimum speed. Students must lower radio/music to a level that is not heard outside the vehicle. Students should avoid spinning tires which may throw rocks and cause damage to individuals outside their vehicles or to another vehicle.

Any student who creates an unsafe environment for others may have their driving privileges revoked for a period of time set forth by the principal.

Students are **not** allowed to return to their vehicle during the school day without permission and a note from school personnel. Students in violation of this requirement may be given consequences including up to restriction from parking on school campus.

Student drivers are **not** permitted to leave school property with another student passenger without written permission turned into the office from both sets of parents/guardians. Violation of this policy may result in the revocation of driving privileges on campus.

Student athletes may move their vehicles to the gravel lot by the gym or athletic complex after 3:10 PM once carpool and bus traffic has ended.

### **Rainy Day Dismissal**

In the event of rain, students will remain inside their designated building until called by school personnel to load. Please be advised these days will take longer to dismiss. Your patience is greatly appreciated in order to ensure the safe departure of all students.

### **Parent/Visitor Parking**

During the first week of school, staff members will be stationed across campus to greet parents and students and provide Visitor's Passes to minimize wait time and delays in students reporting to class. After the first week of school, parent(s)/guardian(s) who wish to walk their child into the school building must report to the office to receive a Visitor's Pass before entering their child's assigned building.

Parents may park in the gravel lot by the athletic complex or in the visitor parking area by the 100/200 Building. Because arrival time will be busy with traffic, it is imperative that parents ensure students remain in close proximity to maximize student safety.

Parents/Visitors who come to the school during the school day should park in the designated visitor parking spaces by the 100/200 building and report immediately to the Main Office to sign in and obtain a Visitor's Pass. All visitors must be prepared to show identification (driver's license or other form of photo identification issued by a governmental entity). Any individual on campus who is not in possession of a Visitor's Pass will be stopped by school personnel and escorted to the Main Office to sign in and obtain a pass.

The Principal or their designee reserves the right to deny any parent access to campus. If a parent refuses to comply with campus policies, they may receive a written warning. If the behavior continues, they will be notified that they are no longer permitted on campus, and any attempts to enter the premises will constitute criminal trespass.

#### Visitor Sign In/Out Process:

1. All visitors, including contractors and vendors, must sign in at the front office for their visit during operating hours.
2. Visitors must present photo identification to obtain a visitor's badge.
3. Visitor badges are completed in the main office.
4. Visitors, excluding delivery drivers only dropping off/picking up packages or child nutrition or facilities vendors, are informed they must check out before leaving the school.
5. Failure to comply or visitors who refuse to show identification for sign in will be asked to leave the premises.

HCS Traffic Flow Pattern

## **VIDEO RECORDING**

If video recording students, parents should be aware of the following:

1. HCS will send home an opt-out form for photograph/video for families each year. Should the parent/guardian choose to opt out of consent, he/she must mark the section denoting the child is not to be included in any photographs or videos related to school events and return the form to school.
2. Only children's images and first name are used and no descriptors identifying individual families are released. Occasionally photos of children will be used to publicize the HCS program.
3. If video recording is needed for a presentation at a professional conference or used as a professional portfolio, students whose family member opted out of photography/video through the Permission to Photograph/Video will not be included.
4. If video recording is part of a research study, no child will participate unless parental consent is given for the specific project.

## **VISITORS AND VOLUNTEERS**

### **Visitors and Volunteers Check-in Procedures**

All visitors must first report to the main office when visiting HCS. Visitors will be required to show proper identification (government-issued ID) and must wear a visitor's pass while on campus. All visitors must state their purpose for the visit when checking in at the front desk. As a reminder, solicitations, politicking, and petitioning are not allowed on campus or during school events. Only visitors and volunteers with approved and confirmed school business will be allowed on campus.

Additionally, outside doors are locked throughout the school day. In order to maintain an orderly, respectful, and secure educational environment for the students and staff of HCS, it is essential that all parents, volunteers, and visitors to our campus be aware of their responsibilities, and adhere to the expected code of conduct as set forth in this handbook.

## Code of Conduct for Visitors and Volunteers

HCS is a public school of choice where teaching and learning are the highest priorities. All families who chose to be part of the HCS family are encouraged to visit campus often and seek out opportunities throughout campus.

To maintain the integrity of the learning environment and reduce disruptions to classrooms, certain limits may be set for parents, volunteers, visitors, and other members of the community who visit HCS and its classrooms. All persons on school property or attending school functions on-campus or off-campus shall follow all school policies and procedures and conduct themselves as positive role models for our students in keeping with the school's mission and vision. **Please understand that HCS is a tobacco and drug-free campus. Smoking/vaping or use of drugs will not be allowed. Anyone violating this policy will be asked to dispose of these substances immediately. If compliance is not reached, the individual will be asked to leave the school campus immediately.**

As a K-12 campus, HCS has the unique opportunity for parents, visitors, volunteers, and community members to have lasting impacts on the students' academic, social, and emotional growth. We are grateful that our visitors and volunteers recognize that the education of our students is a joint responsibility and work to help all of our students understand the value of learning. Volunteers are expected to respect the confidentiality relating to all students. As a volunteer, you may not talk with other parents about the specific learning needs of any child other than your own.

In the unlikely event that a visitor or volunteer fails to adhere to school policies and procedures, the Lead Administrator will address the issue with the visitor/volunteer. If the issue persists, is repeated, or presents an immediate safety concern, administration reserves the right to remove such individuals from the school or school function. Hobgood Charter School reserves the right to decline any volunteer from serving.

## Formal Classroom Visitation Procedures

The public is welcome to visit HCS at any time. The following process should be followed:

1. All parents, volunteers, and visitors must report immediately to the main office.
2. Requests to observe a classroom should be made to administration in writing at least one day prior to the desired visit.
3. Administration will check to make sure that no testing, field trip, or other factors would interfere with the observation.
4. Classroom observations will not be a time for a conference with the teacher.
5. Guests who are invited to present to a class must sign in and obtain a visitor's pass. Guest speakers must be pre-approved by the administrator via teacher requests.
6. Parents and volunteers must only perform tasks approved by the teacher and the administrator.

### **Rules for Visitors and Volunteers**

- Parents and visitors attending school functions that are open to the public, such as parent-teacher organization meetings or public gatherings, are not required to register through the front office but will be required to sign in at the location of the function.
- Anyone who wishes to observe a classroom while school is in session is required to follow the Formal Classroom Visitation Procedures so that class disruptions are kept to a minimum.
- Teachers are not permitted to take instructional time to discuss individual matters with parents, volunteers, and visitors. Pop-in visits will not be allowed as it takes away from instructional time.
- Any unauthorized person on school property or any person engaged in an unauthorized activity will be reported to the Lead Administrator or designee.
- Unauthorized persons or persons engaged in unauthorized activities will be asked to leave or stop the activity. Law enforcement may be called if the situation warrants at the discretion of the Lead Administrator.
- All parents, volunteers, and visitors are expected to abide by these rules on school property and at school-sponsored events. Parents and families who show a continued pattern of disruptive behavior by failing to follow school rules and procedures despite support from the

school staff, administrators, and Board of Directors may be banned from volunteering and/or attending any school activity.

## **Volunteers**

- HCS encourages volunteerism on campus. In order to maintain a safe and orderly learning environment, all volunteers must register through the main office and complete all required forms PRIOR to volunteering.
- HCS requires background checks on all volunteers on an annual basis. HCS will be responsible for arranging the background checks.
- The Lead Administrator or designee will review all criminal background checks. No person who has been convicted of crimes against children, sex crimes, or serious crimes of violence will be allowed to volunteer at the school.
- If the background check presents criminal history, the Lead Administrator will determine whether the results of the review indicate the volunteer (1) poses a threat to the physical safety of the students or personnel, and (2) demonstrates that he/she does not have the integrity or honesty to fulfill his or her duties as a volunteer.
- The Lead Administrator makes the final approval of volunteers.
- Volunteers must have confirmed school business before they will be allowed to check in. To expedite the process, it is important that the staff member you are assigned to work with has notified the office of your scheduled visit.
