ECLIPSE SERIES POLARIZED WALL WASHER

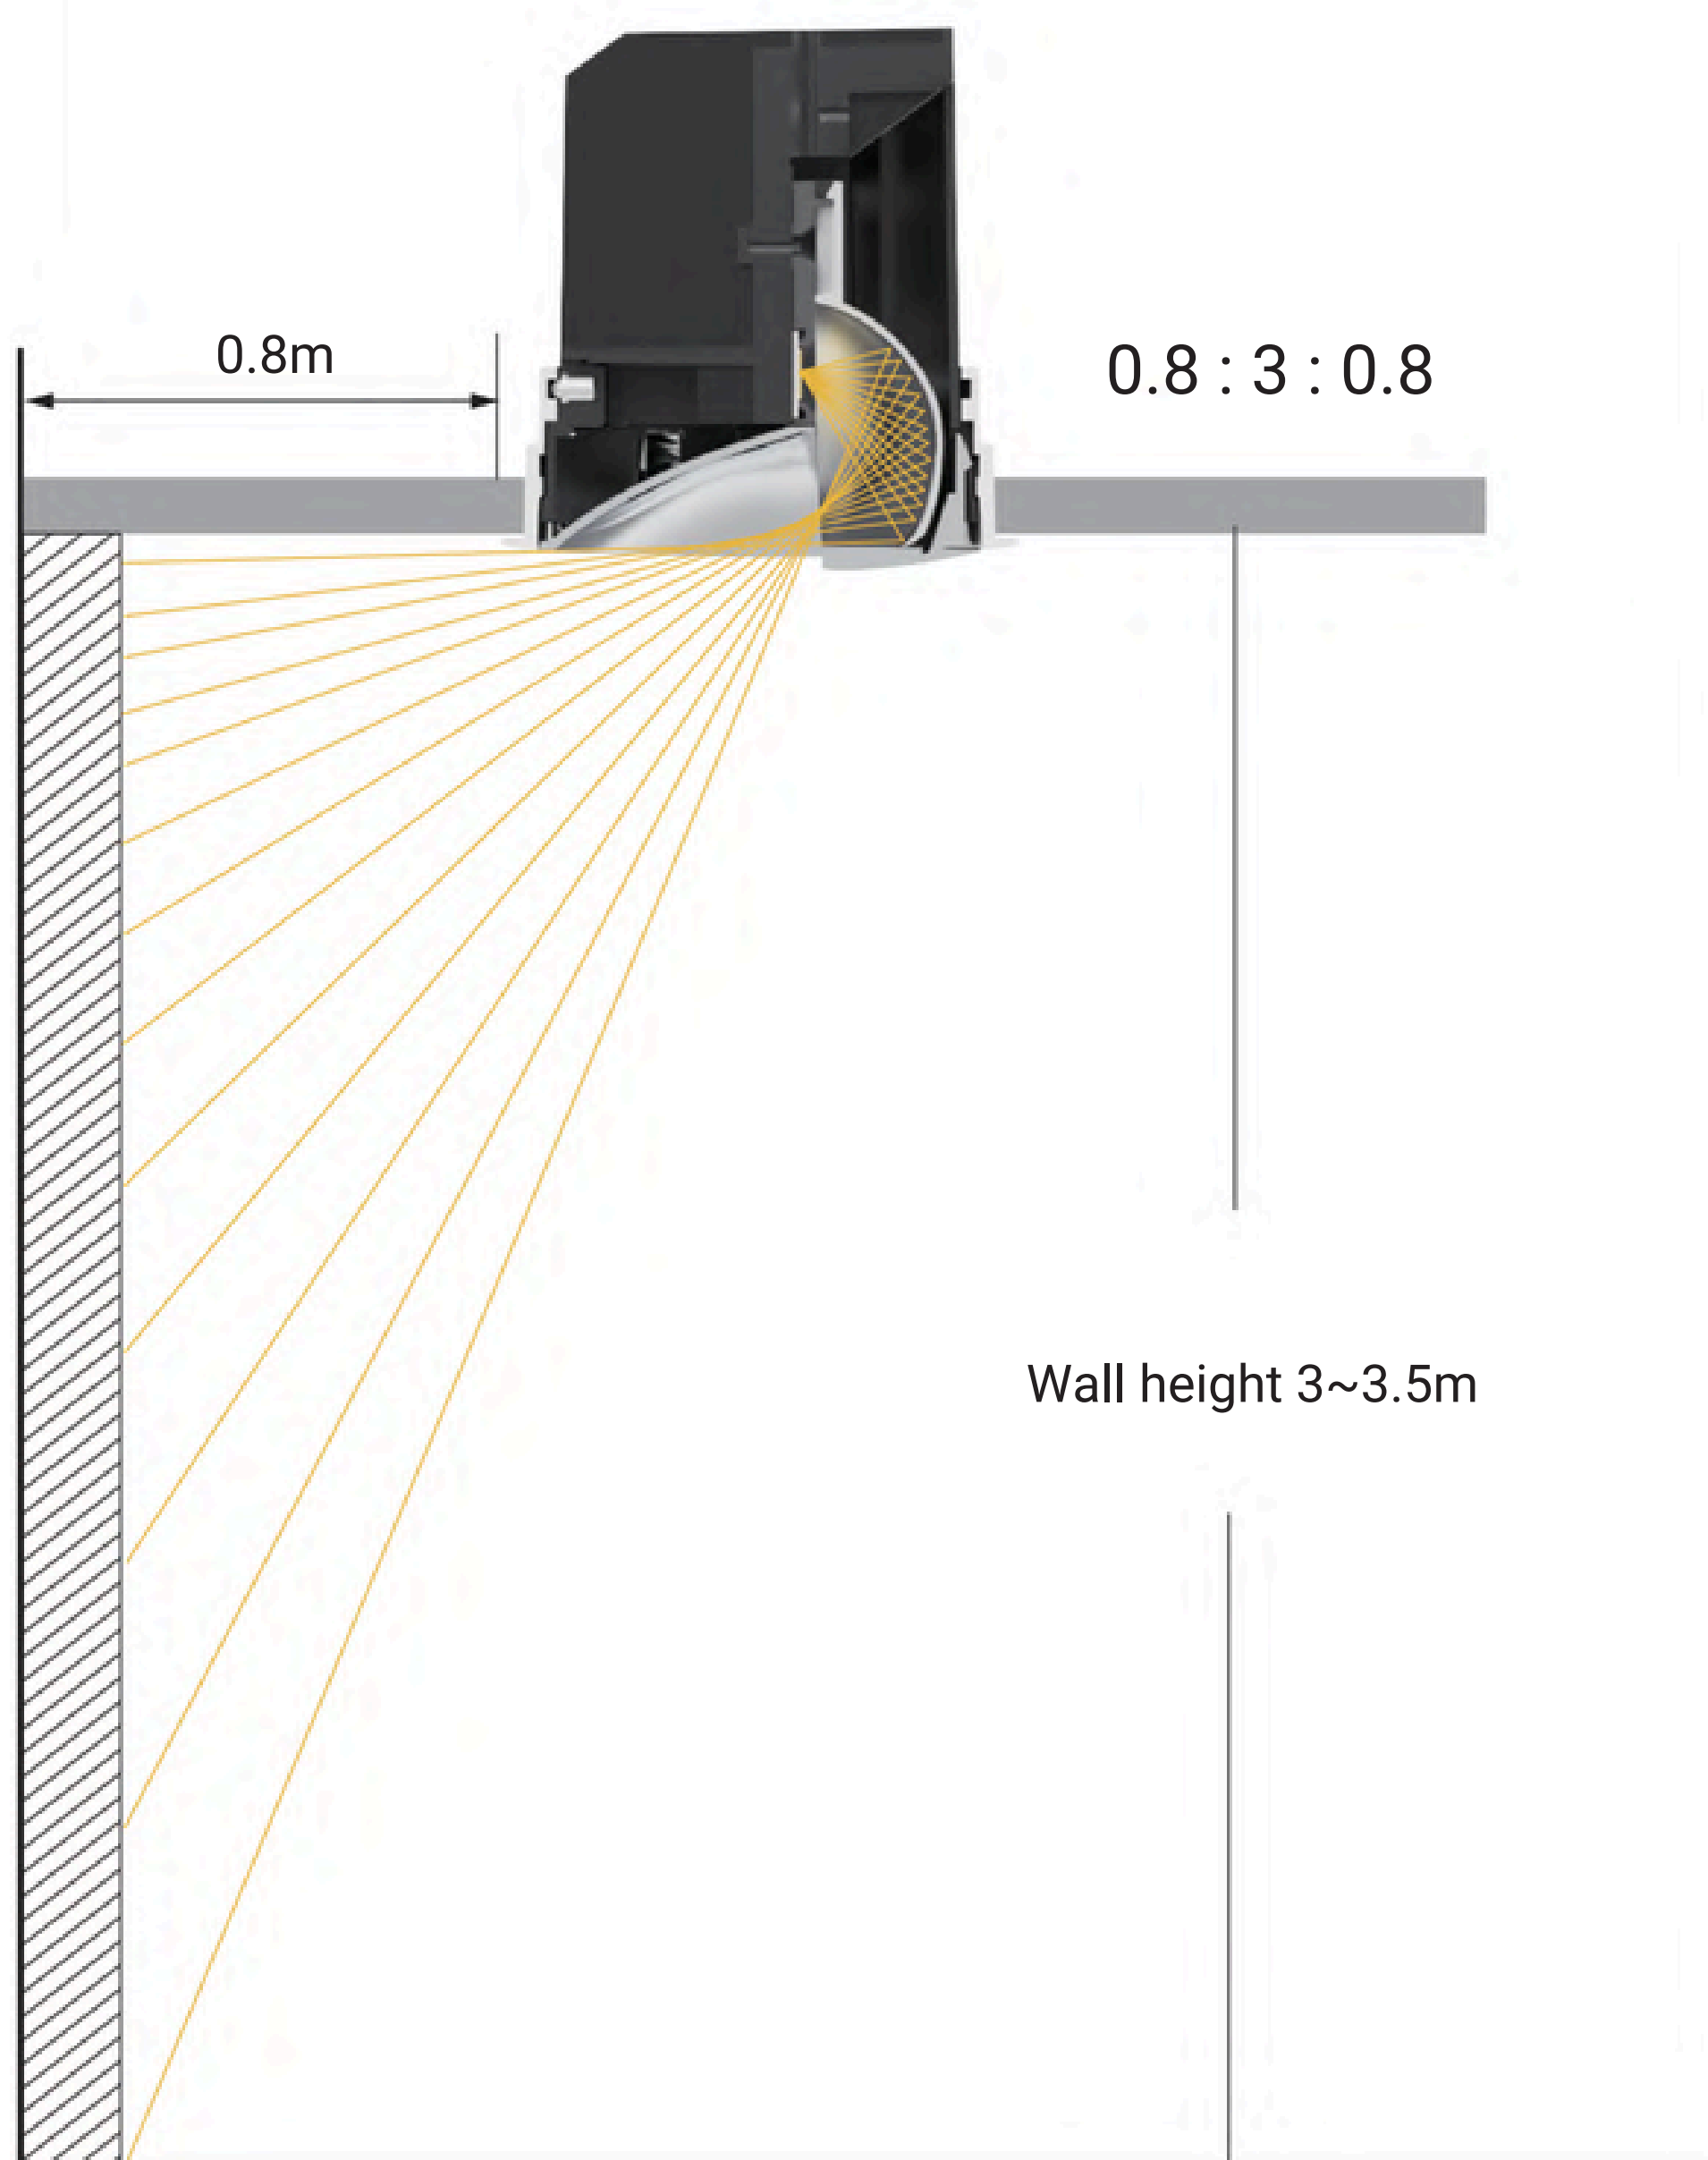

- Specially designed free-form reflective cup with anti-glare cover, accurate light path, active anti-glare, with higher light efficiency.
- Super turnable white performance.
- Wall washing with no dark area.
- The splicing of multiple lamps has a better wall washing effect.
- Ceiling Cutout 55/75/95mm.
- Two color anti-glare covers available: chrome +electroplated black.
- High temperature resistant material, reflective cup temperature 140°C.
- Multiple forms are available, which perfectly match various application scenarios.
