May - Bryce motion, Jed 2nd
June - Richard motion, Kasey 2nd
- 4. R-6- Jess Peterson none**
- 5. Ambulance - none**
- 6. Fire Department - Casey Draper Here**
FD plans on being in the parade and at the games. Equipment is all functioning well. Going to need some maintenance on the trucks. FD wants to say thanks for the support with the Gap fire - the town was supportive and it is appreciated. Tom asked about the status of fireworks - Casey states we will go with what the state is recommending July 22-25 11 am until 11 pm. Take precautions around dry areas and they can be used in your own yard. In city limits it is fire chief Draper's call. Outside of city limits there are no fireworks allowed. Suggested to go to parks where it is green. People are personally responsible if a fire is ignited.
- 7. Water Department-Richard Probert**
Water is good, no bacteria, nitrates are low. Have a leak by the 100 N 250 W. it needs to be blue staked before it can be fixed. Copper and lead mailing went

out to everyone in town. That was mandated by the state. 5 samples will be sent in July.

8. **Ensign Engineering-Kelly Chapell - none**
