Old Business:

No old business to report at the time of the meeting.

New Business:

Discussion was held on the planter project. Suggestion of June 1st at 10:00 am given to plant the planters. Have not heard back from the Fair Board if they were willing to donate towards the project. Will plan to do 1-10 planters. The next DASH mixer is scheduled for March 25th. Trae made a motion to pay for registration costs for those attending, seconded by Caleb. All members voting in favor. Motion carried. Discussion was held in regards to Fair Activities. Planning to do water kickball again, games in show ring, but with better timing, scavenger hunt with flashlights. Decided 3 activities was enough. The Day County Leader's would like us to put together the Do's and Don'ts at the Fair and make signs to hang up at the Fairgrounds. Items to include on the signs: Respect the animals, ask before approaching animals, animals will bite, no running, yelling, or

screaming, don't let animals out of their pens, don't touch static exhibits or any other exhibits, keep the Fairgrounds clean.

A motion was made by Martin to adjourn, seconded by Tacey. All members voting in favor. Motion carried.

After the meeting all in attendance were invited to stay and bowl.

The next meeting will be held June 1st at the Day County Fairgrounds.
