

## Racing at NSSC in the 1970's

I (Michael Clow) raced with Bill Jordan (he worked for IBM) from the summer of 1970 through the summer of 1977 on his Cal 25 Meditacao (Portuguese for Meditation). Bill was about 25 y/o in the summer of 1970 and I was 19 y/o that same summer. Our slip was on the west side of the west cut near the road at [North Star Sail Club](#).

This is a picture of me the summer of 1973 inside the NSSC Club house.

**This picture is the summer of 1974 and I do not know where it was taken.**

**This picture was taken in 1985 of Bill Jordan & I. This is pretty much what Bill looked like in the 70's.**
