WHAT IS STUDISH?

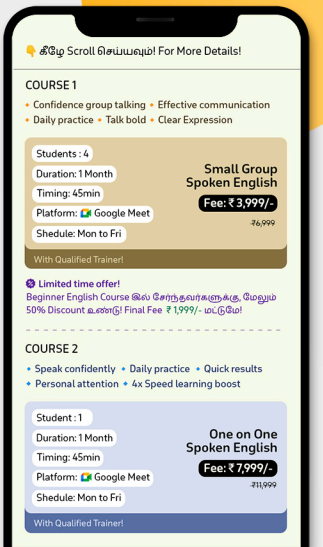

Studish is a mobile app for learning spoken English through practical and interactive courses. Currently, it is available only on Android.

For 5+ years, we trained students throug WhatsApp. Now, learning continues on the Studish mobile app.

INSIDE THE APP

How it works

Students download the Studish app, enroll in a course,
attend live sessions, practice daily, and improve their spoken English. Satisfied learners can continue with higher-level courses, resulting in a strong re-enrollment rate.

Our Mission

To make spoken English learning simple, practical, and affordable for everyone.

Our Vision

To become India's leading spoken English learning platform, empowering millions with confidence and communication skills.
