

CONSULTATIVE SELLING SKILLS

“Learn how to stop selling and helping customers buy; skills and techniques for trusted advisor status.

Why you should attend this training course

This half-day **value-based selling skills** course will show you how to qualify, develop and close business opportunities using a consultative and “trusted advisor” approach.

Key learning points include:

- A structured and client-focused approach to creating higher-quality business opportunities.
- Consultative client engagement skills to better define needs, and rapport, trust and credibility.
- Enhanced client-focused conversations, presentations, and proposals – leading to faster decisions and increased conversion.
- Advanced sales questioning skills and techniques, leading to more accurate development of customer needs, problems, value, and expectations.
- How to add value at all stages; plus gaining competitive advantage.
- Proven ways to overcome and reduce price pressure by using clear value statements, options and reduce perceived risk when proposing and presenting your solutions.
- Techniques and skills for improved negotiation and closing

How you will benefit

Suitable for those with a good understanding of sales, account, or project management . Also ideal if you are looking to refresh and extend your current sales approach. This course will bring each delegate's sales skills up-to-date using a “trusted advisor” model.
