

# perkEpave<sup>tm</sup>

ECO friendly porous paving made with recycled tires

## STANDARD TREE PIT DETAIL

### NOTES:

1. Care should be taken when remediating tree pits as not to cut or damage tree roots.
2. Vertical surface of existing paving must be coated with perkEpave binder.

This drawing is the property of PerkEpave designs. The drawing is being furnished for information only. The use does not represent an engineers certification of required local building codes or regulations unless it has been approved by local authorities
