

perkEpave LLC hereby warrants that all product components have been manufactured to the proper specifications and are free of any defects as of the date of sale.

Defects caused by abuse, misuse, and adverse conditions at time of construction do not apply. Damage due to vehicles and equipment, incorrect mixing of components, improper base or facility construction, weather conditions or acts of God shall not apply. This warranty does not include neglect, nor lack of proper use or proper maintenance.

Imperfections in perkEpave that do not affect the structural integrity of the engineered surface are not grounds for rejection or warranty claim. perkEpave ambering in color as sunlight cures the binder and fading over times is not grounds for rejection or a warranty claim. Small amounts of rubber granule and rock aggregate may become loose in the surface of the installed product. This condition is normal and is not grounds for rejection or warranty claim. Color or shade variations will be present in recycled rubber products and aggregates and is an acceptable characteristic of perkEpave and not grounds for rejection or a warranty claim.

Any claim made against the materials shall be made to perkEpave LLC in writing within 30 days upon discovery of any valid defect. perkEpave LLC will then assess the complaint and correct the situation following proper verification of the claim. Should any rare incidence of product failure arise, all compensation will be limited to the actual cost of the required replacement product only.

Any legal dispute shall be heard only within state, federal or trial courts located in Montgomery County, Pennsylvania.
