2026-2027 FCDC REGIONAL VICE CHAIR

In January, I was honored to be elected Regional Vice Chair for the South Region of the Fairfax County Democratic Committee. In this role, I support organizing, communication, and engagement across the Franconia, Mount Vernon, and Springfield districts. This work allows me to help strengthen local Democratic infrastructure while building relationships with committee members, leaders, and voters across the region.

ALEXANDRIA CITY SPELLING BEE

In May, I had the pleasure of serving as a judge for the Alexandria City Spelling Bee in partnership with Pathways to Progress and the Women's Initiative Network. The event celebrated academic excellence, confidence, and the power of young people to rise to the occasion. It was a joy to support students as they demonstrated focus, preparation, and courage on stage.

ROOTED CONSULTING GROUP

I continue my work with ROOTED Consulting Group, helping elected officials, candidates, and organizations build meaningful partnerships within the communities they serve. Through strategic messaging, relationship-building, and network development, we help leaders connect more effectively with residents, stakeholders, and community partners.
