## Christmas Serenades

Shortly before Christmas break, the chapter participated in the University's annual Greek Life Christmas Serenades! Our brothers traveled to all three sorority houses and serenaded the women of PSU Greek Life with traditional Christmas Carols and other festive songs. At each house, the men sang first and were then sang back to. The chapter loved the opportunity to connect with each sorority and spread some Holiday Cheer.

## Top GPA Among Campus Fraternities!

Our undergraduate brothers are proud to announce that they finished the Fall semester with the highest average GPA among all fraternities on campus! This accomplishment is of prideful note, as the chapter achieved this GPA at the same time as winning Homecoming, consisting of victories in Yell Like Hell, the Parade Float Competition, and Raft Races. The chapter is excited to see their hard work pay off and looks forward to maintain its position in the Spring semester.

## Incoming Executive Board

The Zeta Iota Chapter has finished electing the next executive board of undergraduate leaders that will lead our chapter in the coming year. The new executive board are as follows:

Consul: Brody Littrell (Sophomore)  
Pro Consul: Collin Rule (Sophomore)  
Annotator: Taylor Paulus (Freshman)  
Magister: Jake Samyn (Junior)  
Quaestor: Owen Mall (Sophomore)  
Risk Management: Turner Voight (Freshman)  
Rush Chairman: Noah Yeakey (Freshman)  
Kustos: Charlie Hutson

The active chapter has the utmost confidence in these newly elected officers and looks forward to seeing how their leadership will impact the chapter's success and its presence on campus. The new executive board will take begin their terms following the return from spring break (March 17th).

## Province Workshop

This past weekend, active brothers of our current and upcoming executive board traveled to Manhattan, KS for the Kansas/Nebraska Province Workshop. This was a significant event, as one of similar design hasn't been held in over 5 years. While there, they underwent Mission 365 Training, a program aimed at improving and developing recruitment and retention practices. Our brothers were joined by officers from the University of Nebraska Lincoln, Kansas State University and Fort Hays State University. In addition to Mission 365 training, informative conversations were held to discuss common issues and factors that our chapters face. The chapter is very appreciative of Grand Praetor Patrick Lingg for organizing this event and looks forward to more to come!

## Sweetheart Ball!

This past weekend, the active chapter held its annual Sweetheart Ball in celebration of our awesome sweetheart, Jessica Jones. Jess, a Senior, is an active member of the Sigma Sigma Sigma Sorority here at PSU. The night was full of fun, consisting of gifts, games and of course the serenading of her to our Sweetheart of Sigma Chi song. The chapter is extremely grateful to Jess, as she has been a vital and bright addition to the chapter in her time as sweetheart. Her contributions and positive energy has been a large part of our activities and the chapter could not have been successful without her! Once again, the chapter wants to express gratitude to alumni John Kutz for provided a space to hold the celebration at.

## New Intitiates!

The active chapter had the pleasure of initiating four excellent young men as the Spring 24' Pledge Class of the Zeta Iota Chapter. The names of these men are (from left to right):

Gavin Caldwell (Freshman)  
Hayden LeMasters (Freshman)  
Gavin Vanglider (Sophomore)  
Tommy Williams (Freshman)

The brothers are very excited to have these men joining our order and have very high expectations for them as they grow and contribute to our chapter!

## Looking Forward

The next few months are sure to be busy for our undergraduate brothers, as they have many events and activities planned ahead. The Chapter has set its Derby Days Schedule for April 6th through the 13th, which will include an awesome schedule of philanthropy events such as a Sand Volleyball Tournament, Powderpuff Football with the campus sororities, a haircut and body waxing event and a Community Car Show. Other notable events this semester include Mom's Day on April 20th and our Spring Lake Formal April 26th-28th.

If any alumni are interested in supporting our activities or contributing to our Derby Days Campaign please contact our Consul Jayke Welcher (816)728-1551 or Philanthropy Chairman Jake Samyn (913)633-7789.
