

**SAVE THE DATE**

# The real-world experience:

Navigating the ocean of **JAKi** evidence to help improve outcomes for patients with UC

**Auditorium 15, Bella Center, Copenhagen, Denmark**

Add   
to your  
calendar

Please mark your calendar for this Pfizer-sponsored satellite symposium at United European Gastroenterology Week 2023.

Join us in person in Copenhagen or via the virtual congress platform!

## Meeting objectives:

- Explore the extensive experience of tofacitinib from randomised controlled trials to the latest real-world evidence
- Discuss how this extensive experience can support in identifying appropriate patients for tofacitinib treatment

**Prof. Laurent Peyrin-Biroulet (Chair)**  
Nancy University Hospital,  
Nancy, France

**Dr Sailish Honap**  
St George's University  
Hospitals Foundation  
Trust, London, UK

**Prof. Anita Afzali**  
University of Cincinnati,  
Ohio, USA

Further information regarding the symposium will be shared closer to the date. Should you have any questions, please do not hesitate to contact me.

Best regards,
