

Dear [Name],

We are delighted to invite you to attend the
Pfizer COVID-CONNECT Masterclass – Inspiring collaboration in COVID-19 care

18–19 October 2024
JW Marriott Hotel, Berlin, Germany

Join our international faculty where we will discuss:

-  Elevating care approaches in the dynamic COVID-19 clinical landscape
-  Remaining challenges impacting COVID-19 patient care today
-  Inspiring clinical communities to collectively lead in overcoming these barriers
-  Championing a culture of collaboration to optimise patient outcomes

Please see below for the overview of the agenda

Day 1: Elevating COVID-19 care approaches to improve patient outcomes

Time (CEST)	Topic
09:00 - 10:55	Session 1: Assessing the continued impact of COVID-19
10:55 - 12:20	Session 2: Exploring the treatment landscape: from patient identification to management
12:20 - 13:20	Workshop 1: Elevating COVID-19 care to help improve high-risk patient outcomes
13:20 - 15:30	Session 3: Practical approaches to COVID-19 treatment
15:30 - 17:00	Workshop 2: A deep dive into patient management strategies

Day 2: Considerations for the future of patient management in COVID-19

Time (CEST)	Topic
09:00 - 11:10	Session 4: The bigger picture: where does COVID-19 fall in the realm of common infections?
11:10 - 12:50	Workshop 3: Joining efforts to help improve patient outcomes
