Ms. Gandy,

The sealed part the government attorney was not present in the courtroom.

The unsealed part the government attorney was present in the courtroom.

I will need an order from the Judge for the sealed part.

Contact Judge Rosenthal's case manager Glenda Hassan, 713-250-5517, about the order.

Ms. Metzger,

I appreciate your fast response. Can you preview the transcript and let me know if the government attorney was present during the conversation between Judge Rosenthal and Jason's lawyers regarding Cogdell and DeBorde's withdrawal? That will save time if I know whether or not you have this conversation in the portion that's been unsealed already.

Thank you,

Julie Gandy

Thanks

Ms. Gandy,

No, the government attorney was not present in the withdrawal conversation with Mr. Cogdell and Ms. DeBorde.

That part is sealed.

Ms. Gandy,

The 4/27/17 4:12-cr-503 not sealed portion is 8 pages.

It is 8 pages x 4.40 = 35.20.

You can make the check or money order payable to Kathy Metzger and mail it to the Court Reporting Services Office, 515 Rusk Street, Room 8004, Houston, Texas 77002

Kathy,

Good morning! I'm so glad to finally get movement on unsealing this document! I first requested this back in January 2024 and you let me know it was sealed "ex parte". What communication did you receive allowing you to release the document and can you tell me how many pages are left sealed? The portion that Jason needs is where Jason tells the judge that she does not want Cogdell and DeBorde to be allowed to quit and Judge Rosenthal permits it. Can you tell me if the portion that you are being allowed to provide includes that portion of the hearing? Also, was there any explanation on why the whole document was not unsealed?

Thank you,

Julie Gandy

Ms Hassan,

Good morning. I received an email from Kathy Metzger, court transcriber, letting me know that she can provide only the unsealed portion of Docket #98, 4-27-17 transcript. When I asked for clarification on what was still sealed, this was her response.

Ms. Gandy,

The sealed part the government attorney was not present in the courtroom.

The unsealed part the government attorney was present in the courtroom.

I will need an order from the Judge for the sealed part.

Contact Judge Rosenthal's case manager Glenda Hassan, 713-250-5517, about the order.

Kathy Metzger

Unfortunately, the portion that I need is the sealed part where the regarding the withdrawal of Dan Cogdell and Nicole DeBorde took place. This is what Jason has been requesting for a long time. (Docket 239, 285, 277 and most recently 295) Please forward a request to Judge Rosenthal to unseal the entire hearing. If for some reason she is unwilling to unseal and release the entire transcript, please let me know who we need to appeal this decision to. Jason will not rest until he obtains that complete transcript.

I appreciate your assistance in this matter.

Thank you,

Julie Gandy

I am currently out of the office. I will respond to your email when I return on Wednesday, March 19, 2025.

Thank you,
