

Dear Friends

You will no doubt be aware that over the last year, there has been a campaign underway to save the Village Pub, and bring it into permanent Community ownership. There has been wide support and pledges for this from across the whole village and beyond. We are now at the stage of offering everyone the chance to become investors in, and shareholders of, the Three Horseshoes Pub. It is our chance to become an owner of the pub and secure it for the village, time is limited and we need the share subscription to be completed by **16 June 2018**.

The number of community owned or community run pubs now exceeds 50 nationally and we hope very much that the Three Horseshoes will be added to that list before the end of the summer.

Enclosed is the official Share Prospectus to support the community purchase of the Three Horseshoes Pub. This should be read in conjunction with the Business Plan which can be accessed online at www.helionscommunitypub.co.uk. This Share Prospectus is the culmination of many weeks of research and discussion. The management committee of your community benefit society is delighted to recommend it to you, with the full support of your Parish Council.

For the Share Offer to succeed it will be essential that all those who pledged to invest last December should actually do so, and also that we attract new people to become involved and invest. Also if you know of other people within the village, or even far beyond, who would be interested in investing please spread the word — the more shareholders the better!

A 'Questions and Answers' event will be organised in the village over the course of the share offer. We will also be on hand for your questions in conjunction with the next 'Common Ground' village walk in May.

The application form and related instructions can be found at the end of the Prospectus and on the website.

As ever, please address any questions to us at: helionspub@hotmail.com

We look forward to hearing from you !
