

VOLUNTEER FORM

PREPARING FOR PUB OWNERSHIP

With the pub purchase now with solicitors, we are thinking ahead for the next stage of the 'Save(d) the Three Horseshoes campaign'. A number of villagers had mentioned they were willing to offer their time and expertise to this phase of the project whether they had purchased shares or not.

Help will initially be needed with:

Clearing up the house and garden
Supporting occasional events and before the pub is open under a tenant
General DIY and decorating

Sharing Your Expertise:

Additional tasks after initial assessments will need to be undertaken by skilled and/or licensed tradespeople so if there were any plasterers, electricians, carpenters, and plumbers etc. who can spare a few hours this would be very welcome indeed. Any other expertise you think will be relevant to refurbishment and re-establishment of the pub and gardens then please do not hesitate to use this form.

The more we can achieve through volunteers, the more we can stretch out our funds as well as achieving the common goal as a community to re-open the pub

Your Name:	Email Address:
Telephone Number:	
Skills or area of help you can volunteer:	
Days of week you can help:	

Email to: helionspub@hotmail.com or return to Sages End Cottage, Sages End Road, Helions.

A Copy of this form will go up on the website www.helionscommunitypub.co.uk

Thank You
