

Girls Basketball

Game Day Program Advertisement

Our girls basketball program relies on outside fundraising like game day program advertisements to provide a comprehensive program to students at all levels in our program. With your help, we can offer Trabuco Hills student athletes the chance to develop in an enriching and supportive environment. Our goal is to help them succeed not just on the basketball court, but also in life. Please consider becoming a sponsor to help fund the program and promote your business at the same time.
