Finding the Park

We will be using the new entrance to the park!

Use the postcode DN9 3HQ for sat-nav directions to the car park entrance. Once you reach the destination, please follow the signs directing you to Yorkshire Wildlife Park car parking.

Vehicle access is NOT PERMITTED via Warning Tongue Lane or Brockholes Lane.

Yorkshire Wildlife Park can be easily accessed by car from the A1 and M1 via the M18. Exit the M18 at Junction 3 and follow signs for the airport. Continue along the Great Yorkshire Way (A6182) until you reach the second roundabout. Take the 1st exit and stay on Great Yorkshire Way for approximately one mile. At the next roundabout, take the 1st exit onto Hurst Lane and continue straight. Once over the railway bridge take the left lane and first exit at the roundabout, follow signs to Yorkshire Wildlife Park car parking. Priority / accessible car parking is also available.

On the day

Find us in the little green tent in the Hive, near the entrance booths - right next to the giant Christmas Gingerbread man :)

When you arrive, you collect your number - this is to be pinned on your top and allows you into the park for your Safari. This has your animal wave on it, so listen out to be called through :)

If you've selected a ticket with a park pass for the day (or have added any spectator passes) then this will also be ready for you. Please pop on the wrist band so you don't lose it and this will let you back into the park once it opens to visitors (from around 10:00.)

Waves

We have waves every 10 minutes from 09:00-09:50 -please check the website on Friday to confirm your wave start time: visit here <https://runforwildlife.com/run-for-wildlife-xmas>

Some waves we may merge together for the day, but we will email out and let you know-your time will only move by 10 minutes.

We then call you forward through the entrance gates, saying hello to the Christmas Bush Dogs and Santa's Tapir (who might be eating their Christmas pudding!). Then down to the start

next to our Sea Lion carol singers (they're practicing their carols for you, but they might need a hand!)

The Santa Safari

Victor the Santa Polar Bear will be setting you off on your safari from opposite the Sea Lions, right next to the fairytale castle!

The Safari is 3km long and you can walk, jog or wheel (chair) your way around. Please make sure you stick to the marked route and don't hop over cones or barriers-we will have volunteers and team members along the route, so any problems please just let us know.

On the run, we have three explorer stations to discover on your Safari, with festive music around the park :)

Explorer station one! - Animal masks-once you get into the African plains, it's important that you blend in with the animals, so you can sneak past the Rhinos! Pick from Lions, Tigers, Zebra, Meerkat, Giraffe or Monkey.

Explorer station two! - Santa hats-you'll see all of the caution Polar Bear signs as you approach explorer station two. The polar bears are always a bit peckish this time of year, as they've been busy helping Santa getting ready for the big day. Luckily they love Santa, so it's very important you pop on a Santa hat before heading off to see them. 'Make sure you keep those hats on!

Explorer station three! - Chocolate coins-now these are for the largest animals in the park... the Dinosaurs! Dinosaurs are a bit Grinch like when it comes to Christmas, and they may ask you to pay a toll to go through their home! Hang onto your chocolate coins until you're out of Pangea (that's the name for where the dinosaurs used to live, when all the countries used to be together like one big island!) You may need to use those coins to get through... And make sure you don't snaffle them before you see the T-rex!!

The finish - We are then waiting for you (once you get out of the dinosaurs) with your well deserved Santa Safari medal :) (we also have water on hand if you're a bit thirsty)
