Our history

The Marion Rams were first established in 1891 and we are a strong active club today.

The Marion Football Club is a non-for-profit organisation originally formed in 1891 and is one of the oldest football clubs in South Australia. Originally known as the Sturt Football Club, the club changed their name to Marion in the 1950's.

The club is currently affiliated with the Adelaide Football league (SAAFL), whereas our junior football teams hold a strong presence in the SANFL Juniors competition.

The club colours are green and gold, and our emblem is the Ram which was adopted in the 1970's.

We have over 370 registered players and over 2000 supporters and are committed to the Auskick program to help young kids begin their football journey.

We play the Marion Oval which is situated in a prime location on Sturt Road (opposite the City of Marion council building) and utilise the fantastic facilities of Club Marion as our home which gets many thousands of visitors each year which boosts exposure and awareness of your company in the local market.

As a sponsor of the Marion Football Club you become a partner of the club being able to become actively involved in our success and networking with the broader supporters.
