

Company Profile

Landworx Landscapes

Introduction

Introducing Landworx Landscapes — delivering innovative landscape and golf course solutions in the Kingdom, backed by 33 years of GCC experience. We specialize in landscape development and maintenance, while also supplying high-quality trees and shrubs for projects of all sizes.

Committed to quality, efficiency, and exceeding client expectations, we combine diverse plant selections with modern landscaping practices and equipment.

Company Overview

Landworx Landscapes is a leading supplier of specimen trees, shrubs, and landscape materials in Saudi Arabia. We import premium native, ornamental, and exotic trees while maintaining a strong inventory of readily available stock to support projects of all sizes.

Supported by our local shrub production nursery in the Kingdom, we combine global sourcing with local cultivation to deliver high-quality plant solutions that contribute to greener and more sustainable landscapes.

Corporate Values

To form an integral part of the vision and transformation in the Kingdom and be a leading pioneer in the design, execution and maintenance of landscaping and golf courses to our trusted clients.

We strive to exceed our clients' expectations in every aspect. Whether it's a small personal project or a large-scale commercial endeavor, our team is dedicated to **delivering excellence** within the **time frame** and **budget**, without compromising on quality.

The foundation of Landworx Landscapes is built on three core values - Integrity, Ethics, and Sustainability. These principles guide our business practices, ensuring that every project we undertake is not only a success but also a reflection of our commitment to these values.

01

Plant Supply & Nursery Division

Supply of specimen trees, shrubs, palms, and ornamental plants.

02

Machinery & Equipment Solutions

Agricultural, landscaping, and turf maintenance equipment.

03

Irrigation & Water Management

Efficient irrigation and water management solutions.

04

Landscape Materials & Growing Media

Soil mixes, growing media, fertilizers, and landscape materials.

05

Urban Furniture & Recreational Solutions

Outdoor furniture, playgrounds, and public space amenities.

Tree Supply & Nursery Division

Supplying specimen trees, shrubs, palms, and ornamental plants from trusted nursery sources.

Through our partnership with Thai Vendors, we source high-quality specimen trees, ornamental trees, palms, and specialty plant varieties from leading nurseries in Thailand, ensuring consistent quality and reliable availability for projects across the Kingdom.

- Premium Specimen Trees
- Ornamental & Native Trees
- Palm Trees
- Direct Import Solutions
- Project-Based Tree Supply

Our local nursery in Saudi Arabia is dedicated to the production and cultivation of healthy, resilient shrubs suited to the Kingdom's climate and landscaping requirements.

- Shrub Production & Propagation
- Ground Covers & Ornamental Plants
- Quality-Controlled Growing Environment
- Sustainable Irrigation Practices
- Reliable Supply for Landscape Projects

From Thailand to Saudi Arabia, we provide integrated plant supply solutions that support landscape developments of every scale.

A Strong Portfolio of Brands You Can Rely On

Machinery & Equipment Solutions

Providing reliable agricultural, landscaping, and turf maintenance equipment.

Redexim is a globally recognized Dutch manufacturer of innovative turf maintenance equipment. Renowned for quality and reliability.

Redexim offers aerators, seeders, top dressers, sweepers, and specialized machines for golf courses, sports fields, parks, and other green spaces.

KUHN is a leading agricultural machinery manufacturer offering reliable solutions for farming, landscaping, and grounds maintenance.

Their product range includes equipment for crop production, hay and forage, livestock operations, and landscape & road maintenance, designed to improve efficiency and productivity.

Oleo-Mac is a leading Italian brand of outdoor power equipment, offering reliable and high-performance solutions for landscaping, agriculture, forestry, and garden maintenance.

Their range includes chainsaws, brush cutters, lawn mowers, hedge trimmers, blowers, and sprayers.

Wessex International is a leading UK manufacturer of specialist groundcare and agricultural machinery.

Known for quality and durability, Wessex offers mowers, sweepers, spreaders, and maintenance equipment for sports turf, parks, estates, and agricultural applications.

Irrigation & Water Management

Delivering efficient irrigation systems and water-saving solutions.

Hunter[®]
Golf Irrigation

Hunter Industries is a global leader in advanced irrigation solutions, offering efficient and sustainable products for residential, commercial, agricultural, and landscape applications.

Their range includes rotors, sprays, smart controllers, valves, drip irrigation systems, and centralized control solutions.

Aqua Master[®]
FOUNTAINS AND AERATORS
A DIVISION OF INQUIRANCE INC.
BRINGING WATER TO LIFE

AquaMaster specializes in high-performance fountains and aeration systems that enhance both water quality and visual appeal.

Their range includes decorative fountains, aerating fountains, lighting systems, and custom-engineered solutions for lakes, ponds, and water remediation projects.

ARMAS[®]

ARMAŞ is a leading manufacturer of water control and irrigation solutions, trusted across industrial, municipal, and agricultural sectors.

Their product range includes hydraulic control valves, filtration systems, gate valves, ball valves, and other water management components.

Landscape Materials & Growing Media

Supplying quality soil mixes, growing media, fertilizers, and landscape materials.

Platipus is a global leader in underground tree and palm anchoring solutions, trusted across the Middle East for over 40 years.

Their product range includes tree and palm anchoring systems, irrigation solutions, and living wall systems designed to support healthy, stable plant establishment.

Rainbow Terra specializes in sustainable horticultural products designed for environmentally responsible landscaping projects.

Their biodegradable tree ties are made from eco-friendly materials that naturally decompose over time, supporting healthy plant growth and sustainable green development.

Urban Furniture & Recreational Solutions

Providing durable and aesthetically designed outdoor furniture, playground equipment, shade structures, and public space amenities.

Ankapark Dizayn is a leading Turkish manufacturer of playground equipment and urban furniture, delivering innovative and safety-focused solutions for public spaces.

Their product range includes playground systems, urban furniture, safety surfacing, sports equipment, and custom-designed recreational environments.

Metalu Plast is a leading French manufacturer of sports infrastructure and equipment, serving projects worldwide.

Their product range includes sports fencing, multi-sports courts, padel courts, playgrounds, and equipment for beach, water, and sand sports.

Signmax is a trusted signage and fit-out specialist with over 15 years of experience in delivering high-quality branding, interior, and architectural solutions.

Their services include signboards, interior fit-outs, exhibition stands, kiosks, digital signage, cladding, joinery, and custom fabrication works.
