

Tristan Harris

Rich Harris alerted me about Tristan Harris (no relation to Rich), who is a major voice on the pros and cons of social media. He won two Emmys for his film, “The Social Dilemma,” available on NetFlix (<https://www.netflix.com/title/81254224>), and operates the “Center for Humane Technology.” (<https://www.humanetech.com/key-issues>). I found this a great source, and hope to support his work.
