

FINANCIAL DECISION MAKING

Financial decision making is a skill that you develop and anyone with the right coach and mentor will gain confidence and skill.

- 1** Access to the right information - filters out noise, confusion, and myths.
- 2** Simplify the Decision Process - focus on simple choices
- 3** Apply Decision Making Strategies – change complex decisions into simple, easy, and quick choices that work for you

DECISION MAKING ATMOSPHERE

**END
DECISION
PARALYSIS**

"Lack of direction, not lack of time, is the problem. We all have 24 hour days."
Zig Zigler

**SIMPLIFY
CHOICES**

"You always have two choices: your commitment versus your fear."
Sammy Davis Jr.

**VALIDATE
DECISIONS**

"Knowledge is the antidote to fear."
Ralph Waldo Emerson (1803-1882)

EMPLOYEE REVIEWS

"No shake down. That's different."

"Nobody's ever talked to me this way."

"An eye opener, I am so glad I did this."
