

# ACTIVATED P

**Quit investing in tie-up.**

UNLOCK THE **PHOSPHOROUS** YOU ALREADY OWN.

**1 gallon Activated P = 50+ lbs TSP/DAP**

## The Problem

- Broadcasted 100+ lbs TSP/DAP for decades
- Over 75% is tied up with soil elements
- Standard soil tests don't show the total nutrients

## The Solution

- **1 gallon Activated P = 50+ lbs TSP/DAP**
- Protected by Activated Carbon- won't tie up
- Instantly available for plant uptake

## The Proof

- **Our Total Extraction Test** reveals true Phosphorous levels in your soil
- *Uncovers what traditional soil tests miss*
- Confirms you've been buying more P than required

## The Payoff

- Lower fertilizer bills**
- Higher efficiency**
- More crop access to nutrients**

**ACTIVATED CARBON**  
TECHNOLOGIES

# ACTIVATED CARBON

TECHNOLOGIES

The engine behind ACTIVATED P

**5X** MORE  
EFFICIENT  
than traditional  
fertilizers.

**MAXIMIZE**  
every dollar you spend

Unlock hidden nutrients

Boost nutrient recycling

Deliver more nutrients into  
the plant
