Sample Excerpt 1

Once upon a time, in a room so dim,
Mandy couldn't sleep, the wind howled grim.
A smidge of air slipped past the pane,
Curtains fluttered like a ghostly mane.
Shadows danced on the ceiling with ease,
Streetlights flickered in the breeze.

Sample Excerpt 2

As they waited in line, actors appeared in the crowd.
Moving like broken toys, and some not making a sound.
Suddenly, a chainsaw roared, and a clown came in sight!
But it was just an actor, pretending with all his might.

Sample Excerpt 3

In the murky swamp, where eerie shadows creep,
A green glow emerges, casting a spell so deep.
Through thick fog's embrace, a monster does rise!
Insects hum and chirp, creating a symphony of surprise.
