Whisker Watchers gather, all tails in a row,
A secret society of purr-tectors in the know.
Discussing monsters and spooky frights,
To protect the kids on all hallows night.

Hidden out of site are monsters RED and GREEN.
With eyes so BIG, fierce and keen.
They scheme in shadows, just out of sight.
Invisible to humans, to cause mischief at night.

Shadow monsters, teeth all aglow,
Drooling mouths, a fearsome show.
Teeth gnashing, a monstrous stare,
But the kitties aren't afraid, not a hair.
